NUMBER 30

## Two File for Places on High School Board of Ed.; Election on April 9th

Two persons definitely have filed for a place on the Antioch-Lake Villa high school board and a third reportedly has taken out nomination papers, although this could not be confirmed.

Mrs. Mary Chase of the Channel Lake district has taken out papers and so has the current board's chairman, Robert Denman of the Millburn district.

A third person, Lars Steffenberg of Antioch was believed to have asked for nomination papers, but this could not be confirmed Wednesday. A phone call to his home received no answer.

Some people reported he was in Florida.

No formal letter of resignation from the high school board has been received from A. D. Seekatz of Pe-tite Lake road, chairman Denman said. Earlier reports had said he would resign.

Seekatz, who is in the house construction business, did not attend the monthly meeting of the high school board last Wednesday evening.

Seekatz still has two years of his three-year term on the school board to serve, so if he does resign, his successor would serve but two years, unless he or she is re-elected.

The other board member whose term expires this year is Millburn Cain. He has not indicated definitely whether he will be a candidate or not.

There is still time to file petitions for nomination as Feb. 24 is the deadline for this event for the election to take place Saturday, April 9. Last day for filing nomination papers is March 19, and candidates

will have until March 22 to withdraw from the race.

April 4 will be the last day for applying by mail for absentee ballots and the final day for applying in person for them will be April 6.

An organization meeting of the new board must be held on or before April 19, with that date also the last day on which the old board may canvass the election results.

## Dr. Lutterman Dies Suddenly

Dr. Eldridge J. Lutterman, 68, of 1020 South Main Street, Antioch, died suddenly Saturday morning at his home.

He was born Jan. 21, 1892 in Wellsburg, Iowa, moving to Chicago in 1911 where he attended Northwestern university. He graduated in 1915, then went to Sycamore, Ill., to practice dentistry.

In 1917 he went into the U. S. army. Dr. Lutterman came to Antioch in 1921 where he had practiced dentistry ever since. He was married to Ruth Wachs on Dec. 10, 1924 in Chicago.

He was member of American Legion post no. 748 in Antioch, the Chicago Dental society, the Illinois State Dental society, the American Dental association and Northwestern University Dental Alumni association.

Surviving are his wife, Ruth; one son, Robert J. Lutterman of Antioch; two sisters, Mrs. Tena Nielsen of McAllen, Texas, and Mrs. Tillie Schwagerl of Blue Earth, Minn. Services were held at 1 p. m. Tuesday at Strang funeral home, Antioch. Rev. Wallace Anderson of the Antioch Methodist church officiated. Burial was in Shiloh cemetery at Wellsburg, Iowa.

## Lions Seek 'Antioch' For New Dial System

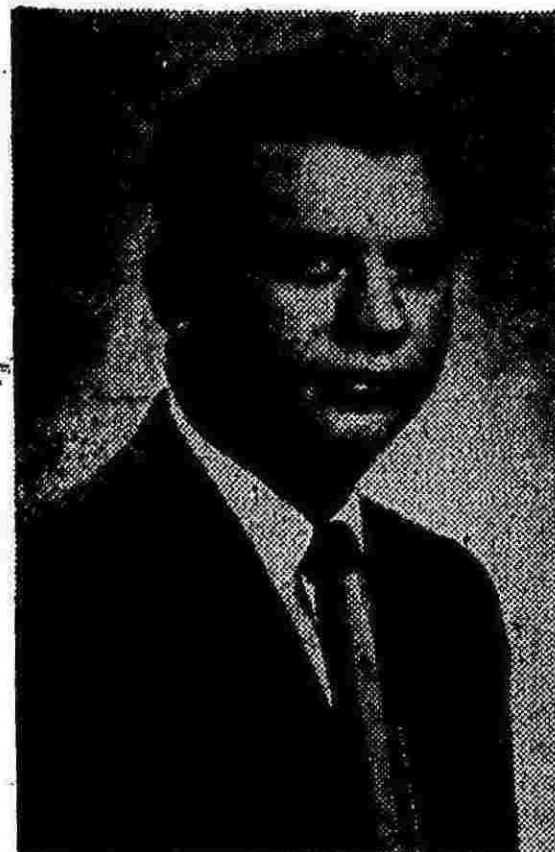

A move to have 'Antioch' as the telephone exchange name for this village and vicinity when dial phones appear here has been made by the Antioch Lions club.

A committee consisting of Homer LaPlant, Joe Patrovsky and Ray Toft was named this week to contact telephone company officials on the matter.

It is hoped that a speaker from the phone firm could speak at the next Lions club meeting on the matter and perhaps tell members what possibility there would be for such a thing to happen.

If Antioch were chosen, a person dialing this village and whatever else there is under such an exchange would dial AN and then the phone number such as 6-5432, or whatever the number might be.

Fox Lake, for instance, has Justice as its exchange call and people there when phoning dial JU and then the number.

Herbert Cottrell

Evangelical Free church of America, gave the charge to the pastor.

A vocal selection was presented by Clark Kornelsen, a student at Trinity seminary in Chicago.

Also taking part in the service were Allen Knutson, Dr. Stanley D. Anderson and E. J. Thiele, members of the congregation.

## Troop 80 Holds Court of Honor

Boy Scouts of troop 80 in Grass Lake recently held their first "court of honor" for this group of boys.

Tommy Anderson and Joe Anzinger passed their first class scout requirements and second class requirements were passed by Gordon Pierce, Dennis Murphy, Tommy Anderson and David Cogdill.

Kenneth Delattri, Michael and David Cogdill.

Kenneth Delattri, Michael Delattri and David Schweigert made tenderfoot class.

Merit badges for woodcarving and swimming went to Joe Anzinger, while John Shunneson received merit badges for cooking, nature and canoeing.

The boys also gave a demonstration in first aid.

## Paper Drive Saturday

Boy Scout troop 92 will hold its next regular monthly paper drive on Saturday, Jan. 30, it was announced this week. Those wishing to have paper picked up are asked to call Antioch 467-R2 or Antioch 1776.

FOX RIVER SUBDIVISION near route 173 west of Antioch was still being threatened late last week as the Fox river continued to overflow its banks and ice in the stream added more hazards. This picture shows two of the cottages near the banks of the river with ice-covered water up to their doorsteps. A seawall about 3 feet high is completely covered by water. Note the outdoor fireplace between two trees with water surrounding it. These were just a few of at least a dozen summer and permanent homes surrounded by water. Four families had to evacuate their homes. (Antioch News photo)

## High Water Recedes; Some Families Return

### Homes Flooded Near Antioch; 8 Folks Fled

Families evacuated from the Fox River Springs Subdivision near route 173 west of Antioch were preparing to move back or had already done so by this week Wednesday as the Fox river receded 18 inches from its peak.

The Charles Hahn family whose home is close to the river bank planned to move back this week Wednesday. A man had to cut away ice in order for the family to return.

Other people who had been evacuated earlier included the Clarence Dressel folks, the John Koch family and the Matt Wiecek family.

In all eight persons had to leave their flooded homes on the west side of the Fox river as that stream rose to what oldtimers said was its highest level in 25 years.

Some of these people had to be taken out in rowboats, while some waded through the water in hip boots. Two children in one family were carried "piggy-back" through the water so they could attend school.

Fuel oil finally reached some homes surrounded by water this week as a fuel shortage in the area developed.

One fuel truck reportedly slid off the road due to the ice.

Even the mailman at the peak of high water decided it was too risky to deliver mail to some points in the subdivision so left it at the Jerome Medal home near the edge of the high water level.

The Fox river reached a point 3 feet above the "seawall" at its top point, or about 5 feet above normal.

Many residents were unprepared for such a high level of water, although after reflecting on the trouble, they were glad the river did not rise another five inches or so.

Such a rise would have inundated more territory and many more homes.

Farm land across the river from the subdivision was flooded as far as the eye could see.

Ice in the river thick enough late last week to support people, was believed largely responsible for the high water when it backed up the river.

## C of C Meet Due Monday

A dinner meeting of the Antioch chamber of commerce will be held next Monday evening, Feb. 1, at 7 o'clock in the dining room of the Ruralite, president Bette Meyer announced.

Many important problems will be coming up to work out for the year 1960, she said. She urged every chamber member to make a real effort to attend.

"The chamber needs your ideas and your help to make 1960 a successful year," she added.

## No Addition to School Necessary, Channel Lake School Board Says

By Mrs. Pearl Kapell

CHANNEL LAKE—After analyzing the results of the census of the Channel Lake school district taken recently, the school board decided at its meeting on Jan. 19 that it would be unnecessary to add on any rooms to the present school at this time.

Very little growth in population was shown by the present figures as compared with the figure reached in the last census, taken about five years ago.

At that time the total district population was 1080. The total population in this census was 1109.

The census taken five years ago did not include a breakdown of figures showing how many of this number were children of school or pre-school age, so the board had no basis for comparison on this score.

However, the board plans to take another complete census in about three years, for comparison with the present figures.

Complete figures of the census were as follows:

Number of persons over 21—446; persons of high school age or over, but under 21—89; children of elementary school age, 214; children of pre-school age, 160.

Of the children of pre-school age, those born in 1954 (which would constitute the first grade in the coming school year) were 32; in 1955, 21; in 1956, 25; in 1957, 28; in 1958, 28; in 1959, 24.

Of the 214 children of elementary school age, 147 were enrolled in Channel Lake school as of Nov. 10, of this school year, the remainder, or 67, attending parochial or other schools.

If this figure holds true generally, the board expects about one-third of the children reaching school age each year to be absorbed by parochial schools.

The board also decided to investigate the possibility of more complete health insurance coverage for the school children, and to compile complete figures on the cost of

books used in the school and rented to the students.

The figures will show the cost of the books, depreciation and amount charged for each book.

There have been some complaints from parents as to the unequal cost of books rented.

The figures will be made public at the opening of the next school year.

## Mary White Elected GS Troop Chairman

At the last court of honor for Girl Scout Troop 31, Mary Jane White was elected troop chairman.

A toboggan party was held last Saturday, Jan. 23.

A court of award meeting was held this week Wednesday evening. The girls working for first class put on a play entitled "A Picnic in the Park."

Paula Weiss  
Troop Reporter

## Vacation in Florida

Mr. and Mrs. Emil R. Lubkeman and son, Arne, are spending some time in Florida, flying there via Eastern Airlines. They met friends in St. Petersburg who will drive back to Antioch with them.

## Photo Proofs To Be Seen Here Friday

Proofs of pictures taken by United Studios at the Antioch Odd Fellows hall several weeks ago will be available for parents and children to see from 10 a. m. to 3 p. m. Friday, Jan. 29.

Notices to those who had pictures taken during the two-day visit of a photographer from Elkhart, Ind., were received this week.

Parents were reminded that pictures of their children will appear in the Antioch News only if the parents call for the proofs in person and select their favorite proof.

All proof must be selected at the Odd Fellows hall, Antioch, during the hours 10 a. m. to 3 p. m. Minors must be accompanied by a parent.

Pictures of the children will be published in the Antioch News in about three weeks.

## Oakland PTA Meeting On Feb. 1 Cancelled

The Oakland Grade school PTA meeting, which was scheduled for Monday, Feb. 1, will not be held at that time.

They will join the Antioch Grade school PTA for a combined meeting on Monday, Feb. 15, at which time the student band will present its annual concert.

## Ice Fishing Derby Set For Silver Lake Sunday

SILVER LAKE, Wis.—Ten thousand or more people are expected to flock to this western Kenosha county town Sunday, Jan. 31, for the sixth annual ice fishing derby sponsored by the Conservation club of Kenosha County, Inc.

At least 10 prizes will be awarded, headed by a 1960 American Motors Rambler American station wagon.

In addition there will be other awards, including \$100 in cash for a tagged fish named "Little Fritz" and \$10 for six fish placed in the lake by a group of Silver Lake merchants last year.

Prizes of from \$30 and \$40 have been offered by Silver Lake merchants for these six tagged fish. Latest information is that none of these fish has been caught.

Among the "large" prizes will be in addition to the station wagon, a 16-foot model FD Alumacraft boat, a \$500 Columbia men's or ladies' diamond ring, Mastercraft 600-

pound boat trailer, set of Bobby Jones registered irons (men's or ladies').

OTHERS ARE A Marlin 12-gauge over and under shotgun, a Motorola Stereo Hi-Fi, mattress and box spring, Canadian vacation at Sunset lodge and a Wisconsin vacation at Lost Lake resort.

As many fish caught as possible will be on display at a central display point on the lake.

This derby considered the Midwest's biggest and most spectacular event of its kind will open at 7 a. m. and continue to mid-afternoon Sunday, Jan. 31.

Events during the day will include a go-kart race exhibition, the first of its kind held in Kenosha county.

The Keno Aqua club, skin-divers with their gear will put on an underwater diving exhibition.

There also will be kid's surprise fishing games, ice skating races and an added attraction will be a professional skating act by Doodles, the skating clown. There also will be kid's dog sled race and a kids' sled obstacle race.

CHILDREN'S EVENTS will be held from 11 a. m. to 2 p. m.

Many valuable fish prizes will be given for the biggest fish caught, including vacation prizes, a lounge chair, a \$5 gift certificate, fishing equipment and the like.

Participants will compete in the open, women's and children's divisions, with the latter two able to enter their catches in the "open" group if they so prefer.

Printed rules of the judging committee will be distributed to participants at registration time. The judging committee is headed by Earl Zimmerman, Ira Gilbertson and Joe Duffin.

As an added inducement to bring the crowds out, hundreds of attendance prizes ranging in value from (continued on page 7)

## DEAR READER News Editorials

### School Board Candidates Needed?

On April 9th the people of the Antioch-Lake Villa high school district will once again go to the polls to pick their choice for the school board and decide who will inherit the problems of the high school.

There are two vacancies left by expired terms and the possibility of a third by reason of a resignation. There is no official confirmation on this last resignation as yet.

So far only three prospective candidates have picked up their petitions.

We sincerely hope this same condition does not exist on election day.

During the last high school referendum for a new building many voices were heard both pro and con.

It is not our purpose here to argue viewpoints on the question but merely to bring out the point that a healthy condition of intense interest on the part of many persons existed during the period of the referendum.

Regardless of the individual viewpoints on the question, it was a good example of democracy in action.

The job of school board members is a thankless one, full of responsibility, complaints, criticism and many long hours of what may seem fruitless labor with no remuneration other than the pride of a job well done.

None the less it is a job that must be done.

We hope these same people who displayed such intensity and interest last March will again come forward and offer their time, effort and ideas on and before April 9.

### Do People Read Newspaper Editorials?

We must admit that there have been times that as a newspaper editor, reporter or what ever the newspaper position might be, that we have doubted very much if anyone ever reads an editorial.

Or perhaps we should say we doubted if those who read them followed the suggestions made in said editorials.

But this week we must admit that at least once an editorial suggestion has been followed and many people have "answered" by doing just about as had been suggested.

We refer to the editorial in last week's Antioch News in which we urged people having homes or businesses near fire hydrants to clear snow away from them so firemen would have an easier time connecting hose if necessary.

A drive about town the end of last week saw only a few fire hydrants still more or less surrounded by the white stuff.

Many had been shoveled out — some to varying degrees — but at least all of them with the idea of making the job of fire fighting easier if the time should come where hose had to be attached.

Some of the shovelers barely cleared enough room to make the hydrant connection and others cleared away so not only hose could be hitched up but firemen would have enough room to move around the hydrant area without being forced to wade through deep snow.

And are you still asking whether anyone reads newspaper editorials?

Well, just remember, you have read this one.

### High School PTA Meets On Feb. 3; Play Scheduled

"Curriculum Symposium" will be held at the February meeting of the Antioch high school PTA scheduled for next Wednesday evening at 8 o'clock.

This will be in the form of a panel discussion.

The PTA also will honor Rev. Wallace Anderson as part of a Founders Day program that evening. He is the only past president of the

high school PTA organization. Members also were reminded of the 3-act comedy "Time Out for Ginger" which will be presented March 4 and 5 at the high school with adults and teenagers taking part.

This production written by Ronald Alexander and produced through the cooperation of Dramatists Play Service, Inc., will be directed by James Corrigan of the high school staff.

Some of those to take teen-age parts already have been chosen, while other teen-agers and some adults will have tryouts at a time to be announced.

The high school PTA will sponsor the comedy production.

## The Antioch News

### Page of Opinion

HERE IS WHAT WE MEAN by last week's editorial on this page about digging snow out from around fire hydrants. We suggested that Antioch and vicinity residents clear snow away so firemen would have a much easier time hooking up hoses to these outlets should a fire occur. This scene is off South Main Street where someone has left what appears to be plenty of room for maneuvering hose lines to the hydrant and for men to work. A driveway cleared to the left also helps. The pile of snow at the right shows how high it was originally. This is just one example of what many residents did. (Antioch News photo)

### THIS WEEK'S U of I MARKET BUY

Temperature drops cause rapid market changes • raises price sights on most vegetables • creates consumer demand for roasts, slows movement of steaks and chops • encourages heavier hog shipments and drops pork prices again • tends to firm egg prices but aids in improved quality.

#### Chicago-Area Food Values

Meats: Pork loin roasts—Chops—Beef steaks—Lamb shoulder roasts.  
Poultry: Large eggs—Light weight stewing hens.  
Groceries: Frozen orange juice—Tomato products—Tuna fish.  
Produce: Cabbage—Carrots—Brussels sprouts—Celery—Temple oranges—Grapefruit—Bananas.

Based on Market Survey  
For Week of Jan. 25-30

or Mumford Hall, Urbana, Ill.

### Helping Children Coming and Going To School Is School Patrol's Job

By Mrs. Pearl Kappel

CHANNEL LAKE—The patrol at Channel Lake is composed of 12 children, boys and girls, who are entrusted with the job of overseeing and guiding the other children to promote the safety of all the children on the roads, on the playgrounds and in the halls.

The patrol consists of Roger Eberman, captain; Tom Hucker and Paul Kaleth, lieutenants; Nancy Lindblad and Caroline Lasco, sergeants.

Others are Kenneth Buell, Roy Holstrom, Calvin Trussell, Mike Peters, Larry Yancey, Marjorie Bartley, Linda Loeper and Karen Rogers. Mrs. Jerry Kaleth is sponsor of the patrol.

At the end of each school year, children who are interested in gaining positions on the patrol sign up. From this group the number required are selected at a meeting of all the teachers.

At Channel Lake school only children from the seventh and eighth

grades may serve on the patrol, though in other schools younger children are sometimes selected.

At the beginning of each month, the children are assigned to various positions by Mrs. Kaleth, and patrol this particular spot for a month, changing positions monthly.

They follow rules provided by the Chicago Motor club in guarding dangerous spots on the road near school, maintaining order in the halls and keeping the children quiet in halls and lunchroom.

They receive so many points a year for their service and attend the Chicago Motor club picnic, held each year for all the patrols in Lake county.

In addition, those earning 120 points are rewarded by a trip to Riverview.

Each child serving a full year receives a pin from the Motor club, and for the second year a bar to add to the pin.

A five year bar is the highest given by the club, but the children do not start young enough at Channel Lake school to earn this.

The school patrol is a great help to both parents and teachers, and a position on the patrol is a much-sought-after honor.

### Plan Art Show For County Folk

The University of Illinois Farm and Home festival, March 31, April 1 and 2, 1960, again will include the Town and Country Art show, Ray T. Nicholas and Mrs. Helen Volk, Lake County Farm and Home Advisers, said.

The exhibit will be made up of approximately 200 items — oils, water colors, pencil sketches, pastels, carvings, sculpture, weaving, metal, ceramic pieces and craft items selected from county or district shows held before March 13, 1960.

Selections will be made by the University of Illinois art faculty. Lake county plans such a show at the fairgrounds auditorium on March 10, 1960, from 1 to 9 p. m., sponsored by the Lake County Farm and Home Bureaus.

Those interested in taking part should inquire at the County Farm or Home Bureau office, Grayslake. Amateurs of high school age and over who live in either town or country in Illinois and who have a primary interest in rural life are eligible to exhibit, say Mrs. Volk and Nicholas.

Plans are being made by the Farm and Home Festival committee to visit 20 county or area shows on a first-come, first-served basis.

In addition to making selections for the Urbana exhibit, the art judge will conduct a critique with exhibitors and gallery visitors.

### EDDIE the EDUCATOR says

There is a relationship between dental health and general health. Education is involved and interested in both.

Illinois Education Association

Sielski said it is easy for drivers to forget how slippery roads can get, and he noted that most skidding accidents occur in the pre-winter and early winter months because motorists are mentally unprepared for the need for greater driving caution.

## DEAR EDITOR Your Letters

### Physical Education Consultant Suggests Changes at Antioch Hi

The following letter has been received by the Antioch Township high school board of education following a visit by representatives of the Illinois department of supervision to the local school.

Writing the letter was Mark A. Peterman, a consultant on health, physical education and safety for the state department of supervision and concerns his report on these subjects at ATHS.

Copies of the report were also sent to W. C. Petty, Lake county superintendent of schools and a resident of Antioch.

The letter from Peterman is as follows:

At the present time the indoor facilities for physical education for both boys and girls are being used to capacity.

The boys' gymnasium could accommodate a small increase in enrollment, but their present locker-room facilities cannot.

Indoor facilities for the girls both as to teaching stations, and locker-room accommodations would be inadequate if the enrollment increases any appreciable amount.

The outdoor facilities are adequate as to area but do need extensive development. At the present time classes must cross a mechanically unprotected railroad crossing.

As a safety measure and to facilitate access to this area any developmental plans should include an underpass.

It is understood that serious consideration is being given to such a passageway at the present time.

Development of the outdoor area would be the only major improvement needed if the school population

in the district had reached a static state.

Quite the reverse is true, however, as conservative school population predictions point to an immediate and substantial increase.

After considerable study of the present facilities for physical education in the light of enrollment projections, it would be unwise to plan increases in the present educational plant without increased facilities for health, physical education and safety.

### Antioch Man Aids Sheriff

An Antioch bank assistant cashier has identified a man as the one to whom he gave thirty-six \$2 bills in cashing a \$142 check, one of two cashed at the First National Bank of Antioch which have turned out to be forged.

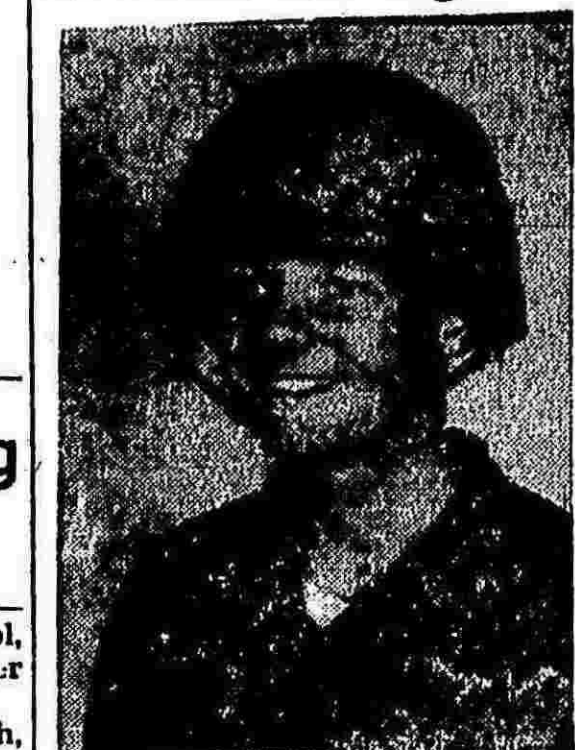

Lake county's chief deputy sheriff Charles Larson said that James W. Irwin, 29, who lived in rural Round Lake, is in county jail in lieu of \$10,000 bond; charged with forgery.

Jacque Koppen of the local bank identified Irwin as the man to whom he had given the \$2 bills.

The local bank man said he was suspicious of Irwin at the time. Later the \$2 bills came back to the bank in a deposit slip from the Drije Chevrolet company where Irwin had used them to purchase a used car.

Irwin is accused of forging more than \$200 in checks.

### Marine Private Onstad To Finish Training

Pvt Wayne Onstad

CAMP PENDLETON, Calif.—Marine Pvt. Wayne K. Onstad, son of Mr. and Mrs. Kendall E. Onstad of Antioch, Ill., is scheduled to finish four weeks of individual combat training Feb. 5 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all marines are basically infantrymen, whether they serve as cooks, typists, truck drivers or with aviation units.

Playing cards were the first paper money used in North America. In 1885 the French colonial governor of Canada failed to receive money from France to pay his troops. When the soldiers threatened to desert, the governor seized all playing cards and declared that they were to be honored as currency when bearing his signature.

Although the Chicago Motor Club distributes the poster above for the benefit of children in 45,000 grade school classrooms in Illinois and Indiana, it applies to adults as well. Its message warns children of grade school age of the hazards of icy streets. It also serves as a warning to drivers, advising them to "Be Extra Alert In Bad Weather" for the safety of the motorist, all pedestrians, and other drivers. It takes just a split second of carelessness to be involved in a serious accident. Winter weather makes it all the more important for drivers to practice courtesy and caution behind the wheels of their cars.

## Mother's March on Polio For Thursday in Lincoln

By Mrs. Edward W. Bernau  
Phone ELliot 6-5440

LINDENHURST — The "Mother's March on Polio" will take place Thursday, Jan. 28, from 7 to 8 p.m. Mrs. J. C. DeSommer of Briar Lane is chairman for Lindenhurst.

She urged everyone to be as generous as possible as "the need for funds is urgent."

Every National foundation chapter is broke. In Lake county alone there are approximately 120 polio victims needing aid.

In addition to polio the National foundation needs funds for its expanded program in the areas of arthritis and birth defects.

Be sure and turn your porch light on and tie up the dog.

If you've been admiring the hats Mrs. Robert Smith of Pinecrest lane is wearing, you may want her to design one for you. She has just opened up her own millinery business in her home.

Mrs. Irene Sullivan of Deeppath road celebrated her birthday Monday, Jan. 18.

Between 25 and 30 children and parents were sledding, sliding and skating in Willow park the past week. The water never was higher than it is right now and the cold weather made it perfect for winter sports.

In case you don't know where Willow park is located, it is bound by Hickory drive, Sprucewood lane and Hazelwood drive. (Meet you at the park.)

Newcomers to Lindenhurst might

## Band Concert Set at Salem

By Miss Frances Murphy  
Central High Reporter

SALEM, WIS.—Fred G. Schroeder, an associate professor of public school music and director of the concert band at Lawrence college since 1951, and himself a strong advocate of the public school approach to instrumental training, will conduct the massed band at Salem Central high school on Monday, Feb. 1. There will be two performances, afternoon at 1:45, and an evening performance at 8.

Schroeder knows the high school age students well, as he has had teaching experience in several high schools. Each year he conducts at least a dozen or more massed band festivals.

He believes that playing in a band gives the young adolescent "a tremendous sense of security in belonging to such a formidable unit."

Schroeder lists photography as his chief hobby. He acquired interest in this particular hobby while serving in World War II.

The public is invited to this program on Monday, Feb. 1. There will be an admission charged.

## Famous Annual Meet Due Sunday

The unselfish devotion of time, thought and effort to the advancement of the village of Lindenhurst.

"Inspiring the youth, promoting the best interest of the people of Lindenhurst and aiding and abetting the government of Lindenhurst involves the special talents of the club."

"Promoting, sponsoring and assisting in all manners of youth activities, to bring about good fellowship and understanding with neighboring communities" is another facet of the club's activities.

"To accomplish the adoption of sound policies for the welfare of the community" is the last promise made to the community in article 2 of their constitution and by-laws.

Recorded in the memories of the club is their origin... Lindenhurst Men's club was begun on Jan. 16, 1937, by Thor Neumann, who firmly believes in group participation.

He personally arranged for the first meeting and notified all male residents of the village to come and partake. He acted as chairman and at that meeting, Doug Sanders was elected as first president of the new club, Fred Boller became treasurer and Craig Henderson was voted secretary.

The second meeting was held on Feb. 1, 1937 and the new constitution and by-laws were approved in general and additional board members were elected.

Mrs. Ann Lance of Sprucewood lane, and her father, Charles Strohmaier of Arlington Heights, had a nice visit Thursday, Jan. 21. They hadn't seen each other for some time. Mr. Strohmaier is going into Saint Anne's hospital Feb. 1 for surgery and Mrs. Lance will stay with him Feb. 2 during the operation.

The Lindenhurst police force needs additional volunteer policemen. Anyone interested should stop at the village hall Monday, Feb. 1, at 7 p.m.

Terri Paprzyca, daughter of Mr. and Mrs. William Paprzyca of Burr Oak Lane, celebrated her 17th birthday Saturday, Jan. 23. Dropping in unexpectedly were Bill and Tom Theisen of Chicago. Also Helen and Janet Adamowski and Rose and Carol Boyd of Antioch.

Seems as though almost every family in Lindenhurst has been hit by the stomach flu. Among those sick are the Martin Golden family, John Sloves, John Petersons, John Grants and the Ed Bernaus.

Mr. and Mrs. John Beyer of Chicago and Mr. and Mrs. James Fassetti and their son, Lewis were recent guests of Mr. and Mrs. Henry Nauer, of Beck road. The grandparents and aunt and uncle came out to see little Connie Sue who arrived Jan. 13.

The various women's clubs of Lake Villa township are uniting to sponsor a rummage sale for the benefit of the Countryside Community hospital.

Among the clubs participating are the Venetian Village Women's club, Lindenhurst's Women's auxiliary and the Lindenhurst Garden club. Everyone is asked to save their rummage for the sale which will be held March 11 and 12 at the Lake Villa grade school.

You will be notified later whom to call to have pick-up service. This notice is to remind you to start gathering your discards. Please wash and iron whatever you donate so that it will look better.

Good thing the weather was bad last week and John Slove of Sunset lane, had to drive slow or he might not be delivering his bakery goods around Lindenhurst.

He was driving to Chicago early one morning last week and he ran into a large branch that had fallen across the road.

It was just over the hill after you turn, near route 45, and he couldn't see it until he was almost on it. Slight damage was done to the car but it could have been serious.

## LV Boy Scouts Receive Award

By Mrs. Fred Bartlett

Lake Villa Boy Scout Troop 84 was represented by its Panther patrol in a first aid meet held in Libertyville last Saturday afternoon.

The boys demonstrated their first aid abilities in four assigned problems for a score of 88.1. They were awarded a "B" certificate for their efforts.

Members of the team were Walter Pleviak, Jim Effinger, Roger Sherwood, Jim Barnstable, Tony Veilovich and Robert Lippe.

Richard Proise, assistant senior patrol leader, was in charge of the team.

## Local Church Annual Meet Due Sunday

This Sunday at 4 p.m. the parish church of St. Ignatius of Antioch will hold its annual every member meeting. The Rev. Edmond Hood will preside.

At this time annual reports covering the work of the past year will be given by the following:

The parish treasurer, Richard Folbrink; Missions treasurer, Mrs. John L. Horan; Past president of the Women's Auxiliary, Mrs. Curtis Wells.

The superintendent of the church school, Richard E. Landau; chairman of the building committee, F. O. Hawkins, and reports will conclude with that of the rector.

Next on the agenda will be election of four men to replace those whose terms on the vestry have expired.

Those who have been recommended by the nominating committee for election by the parish to the vestry are:

George Bartlett, William Meyer, R. H. McElroy and Carl Reisser.

For the posts of the senior and junior warden, the committee recommended George Sterbenz for senior warden, and Jerry Rockow for junior warden.

The committee also recommended that Richard Folbrink and Arthur Dalziel remain at their posts of treasurer and clerk.

The four men retiring from the vestry after three years of service are E. Elmer Brook, Robert A. Flood, Charles E. Larson and Jerry Rockow.

Immediately following the meeting, an open house will be held in the rectory so all members of the parish may have an opportunity to see for themselves the results of the recent remodeling project.

Refreshments will be served. Mrs. John W. Horan is chairman of the refreshment committee.

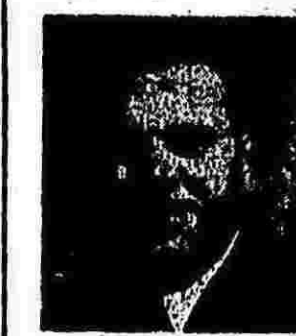

The rector strongly urged that all adult members of the parish who are eligible to vote, make every effort to be present at the meeting.

## DEAR READER News Editorials

### School Board Candidates Needed?

On April 9th the people of the Antioch-Lake Villa high school district will once again go to the polls to pick their choice for the school board and decide who will inherit the problems of the high school.

There are two vacancies left by expired terms and the possibility of a third by reason of a resignation. There is no official confirmation on this last resignation as yet.

So far only three prospective candidates have picked up their petitions.

We sincerely hope this same condition does not exist on election day.

During the last high school referendum for a new building many voices were heard both pro and con.

It is not our purpose here to argue viewpoints on the question but merely to bring out the point that a healthy condition of intense interest on the part of many persons existed during the period of the referendum.

Regardless of the individual viewpoints on the question, it was a good example of democracy in action.

The job of school board members is a thankless one, full of responsibility, complaints, criticism and many long hours of what may seem fruitless labor with no remuneration other than the pride of a job well done.

None the less it is a job that must be done.

We hope these same people who displayed such intensity and interest last March will again come forward and offer their time, effort and ideas on and before April 9.

### Do People Read Newspaper Editorials?

We must admit that there have been times that as a newspaper editor, reporter or what ever the newspaper position might be, that we have doubted very much if anyone ever reads an editorial.

Or perhaps we should say we doubted if those who read them followed the suggestions made in said editorials.

But this week we must admit that at least once an editorial suggestion has been followed and many people have "answered" by doing just about as had been suggested.

We refer to the editorial in last week's Antioch News in which we urged people having homes or businesses near fire hydrants to clear snow away from them so firemen would have an easier time connecting hose if necessary.

A drive about town the end of last week saw only a few fire hydrants still more or less surrounded by the white stuff.

Many had been shoveled out — some to varying degrees — but at least all of them with the idea of making the job of fire fighting easier if the time should come where hose had to be attached.

Some of the shovellers barely cleared enough room to make the hydrant connection and others cleared away so not only hose could be hitched up but firemen would have enough room to move around the hydrant area without being forced to wade through deep snow.

And are you still asking whether anyone reads newspaper editorials?

Well, just remember, you have read this one.

### High School PTA Meets On Feb. 3; Play Scheduled

"Curriculum Symposium" will be held at the February meeting of the Antioch high school PTA scheduled for next Wednesday evening at 8 o'clock.

This will be in the form of a panel discussion.

The PTA also will honor Rev. Wallace Anderson as part of a Founders Day program that evening. He is the only past president of the

high school PTA organization.

Members also were reminded of the 3-act comedy "Time Out for Ginger" which will be presented March 4 and 5 at the high school with adults and teenagers taking part.

This production written by Ronald Alexander and produced through the cooperation of Dramatists Play Service, Inc., will be directed by James Corrigan of the high school staff.

Some of those to take teen-age parts already have been chosen, while other teen-agers and some adults will have tryouts at a time to be announced.

The high school PTA will sponsor the comedy production.

Although the Chicago Motor Club distributes the poster above for the benefit of children in 45,000 grade school classrooms in Illinois and Indiana, it applies to adults as well. Its message warns children of grade school age of the hazards of icy streets. It also serves as a warning to drivers, advising them to "Be Extra Alert In Bad Weather" for the safety of the motorist, all pedestrians, and other drivers. It takes just a split second of carelessness to be involved in a serious accident. Winter weather makes it all the more important for drivers to practice courtesy and caution behind the wheels of their cars.

The Antioch News

## Page of Opinion

HERE IS WHAT WE MEAN by last week's editorial on this page about digging snow out from around fire hydrants. We suggested that Antioch and vicinity residents clear snow away so firemen would have a much easier time hooking up hoses to these outlets should a fire occur. This scene is on South Main Street where someone has left what appears to be plenty of room for maneuvering hose lines to the hydrant and for men to work. A driveway cleared to the left also helps. The pile of snow at the right shows how high it was originally. This is just one example of what many residents did. (Antioch News photo)

### THIS WEEK'S U of I MARKET BUY

Temperature drops cause rapid market changes • raises price sights on most vegetables • creates consumer demand for roasts, slows movement of steaks and chops • encourages heavier hog shipments and drops pork prices again • tends to firm egg prices but aids in improved quality.

#### Chicago-Area Food Values

Meats: Pork loin roasts—Chops—Beef steaks  
—Lamb shoulder roasts.  
Poultry: Large eggs—Light weight stewing hens.  
Groceries: Frozen orange juice—Tomato products—Tuna fish.  
Produce: Cabbage—Carrots—Brussels sprouts—Celery—Temple oranges—Grapefruit—Bananas.

Based on Market Survey  
For Week of Jan. 25-30

### Helping Children Coming and Going To School Is School Patrol's Job

By Mrs. Pearl Kapell

CHANNEL LAKE—The patrol at Channel Lake is composed of 12 children, boys and girls, who are entrusted with the job of overseeing and guiding the other children to promote the safety of all the children on the roads, on the playgrounds and in the halls.

The patrol consists of Roger Eberman, captain; Tom Hucker and Paul Kaleth, lieutenants; Nancy Lindblad and Caroline Lasco, sergeants.

Others are Kenneth Buell, Roy Holstrom, Calvin Trussell, Mike Peters, Larry Yancey, Marjorie Bartley, Linda Loeper and Karen Rogers. Mrs. Jerry Kaleth is sponsor of the patrol.

At the end of each school year, children who are interested in gaining positions on the patrol sign up. From this group the number required are selected at a meeting of all the teachers.

At Channel Lake school only children from the seventh and eighth

grades may serve on the patrol, though in other schools younger children are sometimes selected.

At the beginning of each month, the children are assigned to various positions by Mrs. Kaleth, and patrol this particular spot for a month, changing positions monthly.

They follow rules provided by the Chicago Motor club in guarding dangerous spots on the road near school, maintaining order in the halls and keeping the children quiet in halls and lunchroom.

They receive so many points a year for their service and attend the Chicago Motor club picnic, held each year for all the patrols in Lake county.

In addition, those earning 120 points are rewarded by a trip to Riverview.

Each child serving a full year receives a pin from the Motor club, and for the second year a bar to add to the pin.

A five year bar is the highest given by the club, but the children do not start young enough at Channel Lake school to earn this.

The school patrol is a great help to both parents and teachers, and a position on the patrol is a much-sought-after honor.

### EDDIE the EDUCATOR says

There is a relationship between dental health and general health. Education is involved and interested in both.  
Illinois Education Association

Sielski said it is easy for drivers to forget how slippery roads can get, and he noted that most skidding accidents occur in the pre-winter and early winter months because motorists are mentally unprepared for the need for greater driving caution.

## DEAR EDITOR Your Letters

### Physical Education Consultant Suggests Changes at Antioch Hi

The following letter has been received by the Antioch Township high school board of education following a visit by representatives of the Illinois department of supervision to the local school.

Writing the letter was Mark A. Peterman, a consultant on health, physical education and safety for the state department of supervision and concerns his report on these subjects at ATHS.

Copies of the report were also sent to W. C. Petty, Lake county superintendent of schools and a resident of Antioch.

The letter from Peterman is as follows:

At the present time the indoor facilities for physical education for both boys and girls are being used to capacity.

The boys' gymnasium could accommodate a small increase in enrollment, but their present locker-room facilities cannot.

Indoor facilities for the girls both as to teaching stations, and locker-room accommodations would be inadequate if the enrollment increases any appreciable amount.

The outdoor facilities are adequate as to area but do need extensive development. At the present time classes must cross a mechanically unprotected railroad crossing.

As a safety measure and to facilitate access to this area any developmental plans should include an underpass.

It is understood that serious consideration is being given to such a passageway at the present time.

Development of the outdoor area would be the only major improvement needed if the school population

in the district had reached a static state.

Quite the reverse is true, however, as conservative school population predictions point to an immediate and substantial increase.

After considerable study of the present facilities for physical education in the light of enrollment projections, it would be unwise to plan increases in the present educational plant without increased facilities for health, physical education and safety.

### Antioch Man Aids Sheriff

An Antioch bank assistant cashier has identified a man as the one to whom he gave thirty-six \$2 bills in cashing a \$142 check, one of two cashed at the First National Bank of Antioch which have turned out to be forged.

Lake county's chief deputy sheriff Charles Larson said that James W. Irwin, 29, who lived in rural Round Lake, is in county jail in lieu of \$10,000 bond, charged with forgery.

Jacque Koppen of the local bank identified Irwin as the man to whom he had given the \$2 bills.

The local bank man said he was suspicious of Irwin at the time. Later the \$2 bills came back to the bank in a deposit slip from the Drije Chevrolet company where Irwin had used them to purchase a used car.

Irwin is accused of forging more than \$200 in checks.

### Marine Private Onstad To Finish Training

Pvt. Wayne Onstad

CAMP PENDLETON, Calif.—Marine Pvt. Wayne K. Onstad, son of Mr. and Mrs. Kendall E. Onstad of Antioch, Ill., is scheduled to finish four weeks of individual combat training Feb. 5 at the Marine Corps Base, Camp Pendleton, Calif.

The course includes the latest infantry tactics, first aid, demolitions, field fortifications and advanced schooling on weapons.

Trainees learn that all marines are basically infantrymen, whether they serve as cooks, typists, truck drivers or with aviation units.

Playing cards were the first paper money used in North America. In 1685 the French colonial governor of Canada failed to receive money from France to pay his troops. When the soldiers threatened to desert, the governor seized all playing cards and declared that they were to be honored as currency when bearing his signature.

## Mother's March on For Thursday in Lin

By Mrs. Edward W. Bernau  
Phone ELLIOT 6-5449

LINDENHURST — The "Mother's March on Polio" will take place Thursday, Jan. 28, from 7 to 8 p.m. Mrs. J. C. DeSomer of Briar Lane is chairman for Lindenhurst.

She urged everyone to be as generous as possible as "the need for funds is urgent."

Every National foundation chapter is broke. In Lake county alone there are approximately 120 polio victims needing aid.

In addition to polio the National foundation needs funds for its expanded program in the areas of arthritis and birth defects.

Be sure and turn your porch light on and tie up the dog.

If you've been admiring the hats Mrs. Robert Smith of Pinecrest lane is wearing, you may want her to design one for you. She has just opened up her own millinery business in her home.

Mrs. Irene Sullivan of Deerpath road celebrated her birthday Monday, Jan. 18.

Between 25 and 30 children and parents were sledding, sliding and skating in Willow park the past week. The water never was higher than it is right now and the cold weather made it perfect for winter sports.

In case you don't know where Willow park is located, it is bound by Hickory drive, Sprucewood lane and Hazelwood drive. (Meet you at the park.)

Newcomers to Lindenhurst might

## Band Concert Set at Salem

By Miss Frances Murphy  
Central High Reporter

SALEM, WIS.—Fred G. Schroeder, an associate professor of public school music and director of the concert band at Lawrence college since 1951, and himself a strong advocate of the public school approach to instrumental training, will conduct the massed band at Salem Central high school on Monday, Feb. 1. There will be two performances, afternoon at 1:45, and an evening performance at 8.

Schroeder knows the high school age students well, as he has had teaching experience in several high schools. Each year he conducts at least a dozen or more massed band festivals.

He believes that playing in a band gives the young adolescent "a tremendous sense of security in belonging to such a formidable unit." Schroeder lists photography as his chief hobby. He acquired interest in this particular hobby while serving in World War II.

The public is invited to this program on Monday, Feb. 1. There will be an admission charged.

## Local Church Annual Meet Due Sunday

This Sunday at 4 p.m. the parish church of St. Ignace of Antioch will hold its annual every member meeting. The Rev. Edmond Hood will preside.

At this time annual reports covering the work of the past year will be given by the following:

The parish treasurer, Richard Folbrink; Missions treasurer, Mrs. John L. Horan; Past president of the Women's Auxillary, Mrs. Curtis Wells.

The superintendent of the church school, Richard E. Landau; chairman of the building committee, F. O. Hawkins, and reports will conclude with that of the rector.

Next on the agenda will be election of four men to replace those whose terms on the vestry have expired.

Those who have been recommended by the nominating committee for election by the parish to the vestry are:

George Bartlett, William Meyer, R. H. McElroy and Carl Reisser.

For the posts of the senior and junior warden, the committee recommended George Sterbenz for senior warden, and Jerry Rockow for junior warden.

The committee also recommended that Richard Folbrink and Arthur Dalziel remain at their posts of treasurer and clerk.

The four men retiring from the vestry after three years of service are E. Elmer Brook, Robert A. Flood, Charles E. Larson and Jerry Rockow.

Immediately following the meeting, an open house will be held in the rectory so all members of the parish may have an opportunity to see for themselves the results of the recent remodeling project.

Refreshments will be served. Mrs. John W. Horan is chairman of the refreshment committee.

The rector strongly urged that all adult members of the parish who are eligible to vote, make every effort to be present at the meeting.

## LV Boy Scouts Receive Award

By Mrs. Fred Bartlett  
Lake Villa Boy Scout Troop 84 was represented by its Panther patrol in a first aid meet held in Libertyville last Saturday afternoon.

The boys demonstrated their first aid abilities in four assigned problems for a score of 86.1. They were awarded a "B" certificate for their efforts.

Members of the team were Walter Pleviak, Jim Effinger, Roger Sherwood, Jim Barnstable, Tony Veljovich and Robert Lipple. Richard Froese, assistant senior patrol leader, was in charge of the team.

### Roddie Beiser Feted

Roddie Beiser, son of Mr. and Mrs. Nathan Beiser of Cedar Lake road, Lake Villa, celebrated his fourth birthday recently with a family party.

### Cancer Society Seeks Material

The response to the Lake county chapter of the American Cancer society's recent request for used materials to be made into dressings was very gratifying.

However, they still have need for used materials such as Turkish towels, old bedspreads, blankets, mattress pads, quilted mattress covers, or any absorbent material which can be used for the inside padding of bed pads for cancer patients.

The color of the material does not matter, nor does the extent of wear. The materials may be brought to the chapter office, 228 N. Genesee St., Waukegan. Or if the donors wish pick-up service, they may telephone Mrs. Mike Robinson, 1115 Yeoman St., or Mrs. Charles Patterson, 1200 Yeoman St., Waukegan.

### License Suspended

SPRINGFIELD—The Driver's license of one Lake Villa resident has been suspended and another man from that community has been granted a probationary permit. Raymond Scott of that village has had his license suspended, while a probationary permit has been issued to James F. Stubner of route 1.

## Juvenile Delinquency Discussed At Meeting of Channel Lake PTA

By Mrs. Pearl Kapell

CHANNEL LAKE—A solid and down-to-earth discussion of juvenile delinquency by a panel consisting of Rev. Edmund Hood, Warren Polley and Ted Larson made for an interesting evening for all who attended the meeting of the PTA of Channel Lake school on Jan. 20.

Before the discussion opened, several business matters were disposed of. A letter of resignation from Kay Lasco, former president of the PTA, was read and accepted.

The vice-president, Eloise Wittleder, automatically became president. Mrs. Mary Bierman was elected to fill the vice-presidents chair, and Lillian Voskuil was appointed to take Mrs. Bierman's place as membership chairman.

Mrs. Amendola's room again won the room count for having the most parents present.

It was announced that the February meeting would feature a discussion on home decorating by Mrs. Bette Meyer.

Mrs. Wittleder opened the panel discussion by asking the men for a definition of a juvenile delinquent.

Larson said that, legally, a juvenile is a girl under 18 or a boy under 17 years of age. Although the term "delinquent" has certain legal specifications, it is now commonly used to cover a multitude of sins.

Larson brought out several interesting legal points during the evening: That a parent may be fined \$20 a day for his child's unwarranted absence from school up to the

age of 16 and that a parent is not financially responsible for damage done by his child.

He stated that it was his opinion the "the times we live in, with its emphasis on money, and the acquiring of money, was at the root of the increase in juvenile trouble."

Polley pointed out that the increasing size of schools, with the resulting lack of communication between child, teacher and parent, was often the beginning of trouble.

Rev. Hood stated that it was his belief that immediate and vigorous discipline, both at home and in school, and, in the case of criminal acts, by the courts, was the best deterrent to further trouble.

All members of the panel agreed that little could be done without the full, intelligent cooperation of the parents.

### Art Show Scheduled At Fairgrounds Soon

GRAYSLAKE—Amateur artists in Lake county are invited to submit their original paintings and other art items in the Lake County Town and Country Art show.

The show will be held in the Farm Bureau building on the Lake county fairgrounds Thursday, March 10. It will be open to the public from 1 to 10 p. m.

Two separate exhibits will be held including those of artists of high school age and older and those below high school.

All entries will be judged by a competent judge from the University of Illinois.

The highest scoring entries submitted by artists of high school age or older will be eligible for entry in the State Town and Country Art show.

A complete list of rules and procedures can be obtained by writing farm adviser Ray T. Nicholas, P. O. Box 177, or home adviser Helen Volk, P. O. Box 356, Grayslake, Ill.

### Dinner Planned By Ladies Group Millburn Church

By Mrs. Frank Edwards

MILLBURN—A cafeteria beef dinner will be served at noon Thursday, Feb. 4, by the Millburn Ladies' Aid group with Mrs. Harley Clark in charge of the dinner at the Millburn Congregational church.

Assisting Mrs. Clark will be Mrs. Lyman Thain, Mrs. Howard Bonner, Mrs. Annie Bauman, Mrs. James Foster, Mrs. Ray Boller, Mrs. Edward Kidera, Mrs. Lloyd Miller and Mrs. Mary Derer.

A business session will begin at 1:30 p. m. in the church parlors. Mrs. Tom Harness will be in charge of the devotions and Mrs. George DeYoung of the afternoon's program.

Regular services will be held at Millburn Congregational church Sunday morning, Jan. 31, Sunday School and church will be at 10 a. m. At the Sunday morning service Youth Sunday will be observed and young people will have charge of the service.

The Devotional Study group will meet Thursday morning, Jan. 28, at 9 a. m. at the home of Mrs. Lyman Thain.

Rev. L. H. Messersmith attended a committee meeting of the advisory board of Chicago Congregational association on Monday.

Mr. and Mrs. Charles Lucas spent Saturday and Sunday at the home of Mrs. Addie Lucas of Wadsworth.

Mrs. Merrill Vickers returned home from Victory Memorial hospital Thursday.

Funeral services for Mrs. Maude Comer Mollett, mother of Mrs. Ray Boller, were held Saturday afternoon at the Strang funeral home in Antioch. Interment was in Millburn cemetery with Rev. L. H. Messersmith officiating.

Mrs. Harley Clark and Glen were supper guests of Mr. and Mrs. Walter Fontaine of Gurnee Saturday evening.

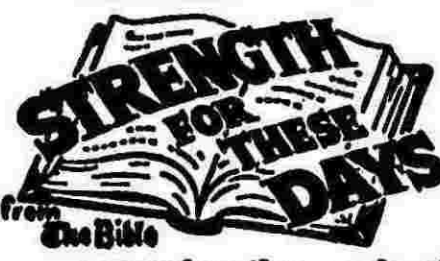

Mr. and Mrs. James Bonner and family of Kansasville spent Sunday evening at the home of Mrs. Harley Clark.

Nineteen members and two guests were present at the Couples club last Tuesday evening. Hosts were Mr. and Mrs. L. H. Messersmith and Mr. and Mrs. George Murrie. Two movies were shown and after a short business meeting refreshments were served.

Mrs. Frank Edwards spent Friday at the John Edwards home in Libertyville.

Miss Judy Paulsen of Evanston spent the weekend with her parents, Mr. and Mrs. William Paulsen.

Mr. and Mrs. John Clark of Deep Lake were Sunday dinner guests of Mrs. Harley Clark.

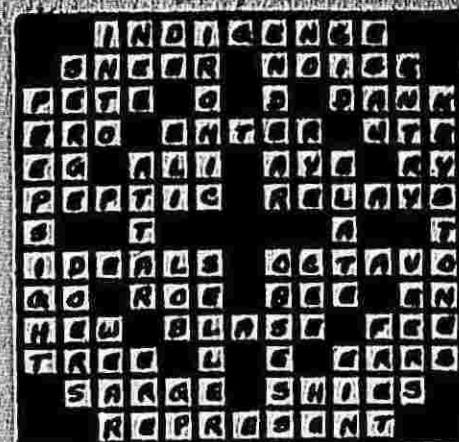

It takes most of us at least half a lifetime to appreciate, through our own personal experience, the truth of the Master. But what a blessed, full and useful life would result if we accepted His words in our youth and lived the long years by them!

### Bake Sale Scheduled By GAA for Saturday

The Girls' Athletic association of Antioch high school is sponsoring a bake sale to be held on Saturday, Jan. 30, from 9 a. m. to 2 p. m. at the Ford garage in Antioch and at Hucker's garage in Lake Villa.

Money from the sale will go toward their annual Mother-Daughter banquet and other activities of the club.

All G.A.A. members are asked to take their bakery goods to the garage nearest their homes before 9 a. m. Saturday.

## Topics for Today's Women

### 'Mosaics' Talk To Be Heard at Women's Meet

The Antioch Woman's club will meet at 1:30 p. m. at the Scout house on Monday, Feb. 1.

Mrs. Ted Larson, program chairman, will present C. H. Price of the Craft studio, Hillside Shopping Center. His subject will be on "Mosaics."

Many of the new homes today are using mosaic tiles in their decor, both on the floor and on walls and tables.

Mr. Price's talk should prove very interesting.

Mrs. Larson was unanimously re-elected to serve as program chairman for the 1960-61 club year at the January 18 meeting. This will be Mrs. Larson's second year to provide the programs for the club.

Hostess committee for the day will have Mrs. Louis Biel as chairman. She will be assisted by Mesdames William Barkow, Joseph Horton, E. J. Sletten, Wendell Nelson, A. H. Kaufman, Charles Solar and Morris Pickus.

### Lady Democrats To Meet Feb. 3

The Lake County Regular Democratic Women's club will hold its annual luncheon at the Country Squire, Routes 120 and 45, near Grayslake, Wednesday, Feb. 3.

Reservations may be made with Anne Seisser of Lake Villa, EL 6-5492. Registration will be at 10:30 a. m.

Miss Dorothy O'Brien, Northern Illinois state vice chairwoman will be the speaker of the day. Her topic will be "How to return the United States to World Leadership."

Mrs. Oscar Gunderson, county chairwoman and president of the club urged all Democratic women to show their support of this new organization by attending this once yearly luncheon.

She especially urged those women interested in working in the 1960 elections for the Democratic party in Lake county to attend the precinct workshop conducted by political education chairwoman, Mrs. Howard R. Slater, in the morning.

### Dance Scheduled By Ladies Groups

Posters will be put in store windows and letters will be placed in the mail this week to all parishioners of St. Peter's church announcing the pre-Lenten dance at Lyons-Ryan Ford sales showroom on Saturday evening, Feb. 27.

Music will be furnished by Art Smejkal's orchestra and dancing will start at 8:30 p. m.

All officers of the Holy Name society and the Altar and Rosary society are co-chairmen for the event. Refreshments will be served.

This party will take the place of the St. Patrick's dance, which has become an annual event in the parish. Proceeds from the party will be used to decorate the church.

### Engagement Told Of Antioch Man

Mr. and Mrs. Leo F. Swanson, Guthrie, Okla., announce the engagement of their daughter, Mecca Georgienne, to Edward Patrick Cranley, Jr., son of Mr. and Mrs. Edward P. Cranley, Route 2, Antioch, Ill.

The wedding will be an event of late summer in Saint Mary's Church, Guthrie.

Miss Swanson will be graduated from Saint Mary's college, Notre Dame, Ind., in June with a bachelor of science degree in nursing.

Mr. Cranley was graduated from St. Bede's academy, LaSalle, Ill., with the class of 1956 and is now a senior at the University of Notre Dame, where he is studying architecture.

### Janice L. Hughes Engagement Told

Mr. and Mrs. Oliver Hughes of Felter's Subdivision have announced June 18, 1960, as the date set for the forthcoming marriage of their daughter, Janice Lee, to Edward Sima of Antioch.

Mr. and Mrs. Albert Sima of 5828 S. Tallman Ave., Chicago, are parents of the prospective bridegroom. The wedding will take place in

JANICE LEE HUGHES

Peace Evangelical Lutheran church, at Wilmet, Wis.

Janice will graduate from Antioch high school in June.

Sima is a graduate of Lindblom high school in Chicago. He attended the University of Illinois at the Chicago extension and also Wilson Junior college.

The couple plan to make their home in the Antioch area.

### Slides Are Enjoyed At Garden Club Meet

The Antioch Garden club met Monday, Jan. 25, at the home of Mrs. Robert Gaston of Highland Ave., with Mrs. Louis Biel serving as co-hostess.

Slides of Burpee's new annual flowers for 1960 were shown.

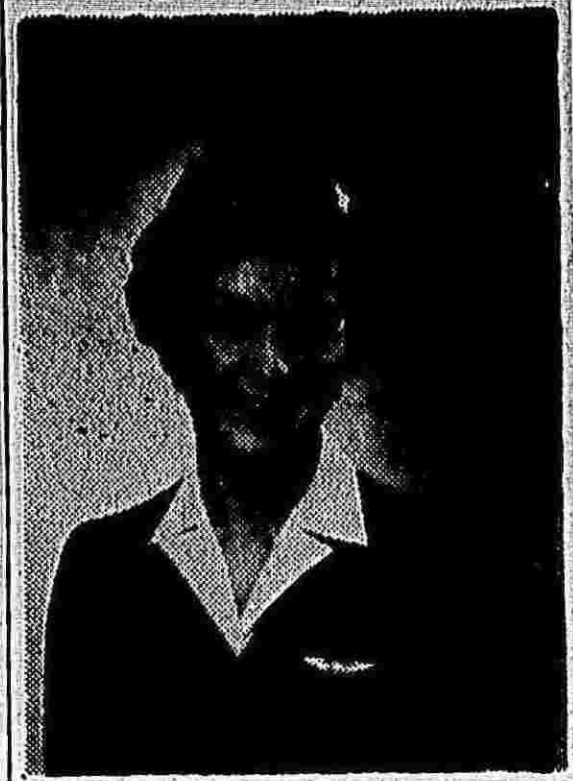

The discussion led to the flower show for 1960 and Mrs. Ray Boller of Millburn was appointed chairman for the event.

Members are requested to circle the calendar on the fifth Monday, Feb. 29, for the next meeting, which will be at the home of Mrs. Edward Jacobs.

### Barbara Jean Corbin Is Now Stewardess

Miss Barbara Jean Corbin, daughter of Mr. and Mrs. B. J. Corbin, Jr., of Cross Lake, is now a stewardess with the American Airlines, stationed at Midway Airport in Chicago.

Barbara was formerly employed in the personnel department at

BARBARA JEAN CORBIN

Johnson Motors, Waukegan, and is a graduate of Central high school, Salem, Wis.

Barbara had planned to be an airline stewardess since she was a grade school student and she is very satisfied with her new work.

### Rainbow Girls Are Invited to Coming Events

Antioch Assembly, Order of the Rainbow for Girls, held a meeting on Jan. 25 at the Masonic temple. Dee Stillson, worthy advisor, presided over the session.

Dee announced her committees for her term. They are Jill Anderson, publicity; Joan Wagner, sickness and distress; Mrs. R. Frasier, Clara Lassen and Sharon Langbein, finance and all line officers on the decorating committee.

At this meeting the girls voted on the names of Susan Lindblad and Grace Young. Both girls were elected and will receive the degrees on Feb. 8.

Tuesday, Jan. 26, Miss Stillson, Nancy Scott, Carol Wieghart, June Behrens, Pat Brown, Joan Wagner and Mrs. Gibbs served as guests at the Millburn Assembly.

Donna Gibbs, recorder, read many invitations to other assemblies asking Antioch to their installations.

Saturday, Jan. 30, Miss Scott will serve as installing recorder at the Woodstock assembly.

Sunday, Jan. 31, the girls are planning to visit the LaGrange Children's home at LaGrange. They should be at the Masonic temple at 12:30.

After the meeting, Joan Wagner and her committee served refreshments.

### WCS to See Film And Playlet Feb. 3

The regular business meeting of the WCS of the Antioch Methodist church will be held at 1 p. m. Wednesday, Feb. 3, in Wesley hall.

Mrs. Elmer Eberman will offer the devotions and a film strip will be shown, titled, "None Goes His Way Alone." There is also a playlet scheduled, with audience participation.

Mrs. Ernest Glenn and Mrs. Robert Liess will be chairmen of serving refreshments with members of their circles assisting.

### Kitty A. Turner, Dale Oehme Wed At Round Lake

By Mrs. Edward W. Bernan  
Miss Kitty Ann Turner, 18, daughter of Mr. and Mrs. Robert Turner of Countryside lane, became the bride of Dale Allen Oehme, 19, on Jan. 9 in a double ring ceremony in the Calvary Presbyterian church in Round Lake. Rev. Wayne C. King performed the service.

The bridegroom, who lives at 415 Fairlawn street, Round Lake, is a son of Mrs. Helen Oehme of Joplin, Mo., formerly of Round Lake.

Up until September 1959 the Turner family were residents of Round Lake. Mr. Turner is a former chief of police of Hainesville. He has been appointed to Lindenhurst police force to serve a probation period.

The bride wore a full length gown of lace and brocade trimmed with sequins. She was given in marriage by her father. Her fingertip veil was attached to a crown of pearls and she carried a bouquet of white carnations.

Attending the bride as maid of honor was her cousin, Miss Mary Lou Wegrzyn, who wore a street length dress of white nylon trimmed with pink and gold flowers. Her headpiece was a crown of multi-colored stones.

Dale's brother-in-law, Jack Corcilius, was best man and ushering guests were Walter Wegrzyn and Stanley Michelczewski.

Following the ceremony, a reception was held at the Turner home. Assisting were Mrs. Mary Turner, the bride's sister-in-law; Mrs. Sophie Michelczewski and Mrs. Helen Wegrzyn. A beautiful two tier wedding cake was baked by Slove's Bakery.

Mr. and Mrs. Frank Calderone and their daughter, Joan, were among the wedding guests. Mr. Calderone is on the Lindenhurst police force.

The newlyweds are now residing at 415 Fairlawn street in Round Lake.

### Carl Carlsons Feted On 40th Anniversary

Mr. and Mrs. Carl F. Carlson of the Chain O' Lakes Subdivision were honored by 40 friends at a dinner party late last week at George Diamond's Country club near Antioch on the occasion of their 40th wedding anniversary.

Among those attending were their son-in-law and daughter, Mr. and Mrs. Clifford Warffuel of Barrington and their son-in-law and daughter, Mr. and Mrs. William Bush of Arlington Heights.

### Birth Announcements

Recent births at Kenosha hospitals have included a daughter, Linda Lee, to Mr. and Mrs. Donald Toy (Sandra Milea) of Silver Lake, Wis.; a daughter to Mr. and Mrs. Donald Kosloski (Marietta Beeman) of route 1, Bristol.

Recent births at Waukegan hospitals have included a son to Mr. and Mrs. George Wold of Lake Villa; a son to Mr. and Mrs. Donald Horton of Antioch; a daughter to Mr. and Mrs. Austin Schnaebele of Lake Villa; a daughter to Mr. and Mrs. John Blue of Lake Villa.

Recent births at Zion Community hospital have included a son to Mr. and Mrs. George Rupp of route 1, Trevor, Wis.

### Women Of The Moose

Antioch Chapter no. 735, Women of the Moose, held its regular business meeting Thursday, Jan. 21, at the Moose home. Fifty members were present.

Reports of the following committees were given, child care, college of regents, home making, Mooseheart and publicity.

Fourteen candidates were balloted on. Those honored in the birthday march were Jane Verkest, Jan Rohde, Gloria Goggin, Mildred Gillum and Maude Johnson.

Special birthday honors were given to the senior regent, Jane Verkest.

Those wishing to go to the mid-winter conference at Elgin must be at the Moose home by 10 a.m. The bus will leave promptly at 10:30.

The next meeting of the chapter will be Feb. 4.

The USS Lexington, Dec. 18, furnished electrical power to the city of Tacoma, Wash., when a drought had caused the city's hydroelectric power to fall to a serious low.

INSTALLATION of officers of the Antioch assembly, Rainbow for Girls, was highlighted last Saturday evening by presentation of a gavel by outgoing worthy advisor, Nancy Scott (at left) to the incoming worthy advisor, Dee Stillson (at right). Deanne Smith of Lake Forest, installing officer for the officers and who is grand recorder for the State of Illinois Rainbow for Girls, is shown standing in the center of the photograph. The event took place in the Antioch Methodist church's Wesley hall.

(Warren Polley photo)

## Royal Neighbors Seat Officers; Enjoy Program

Newly elected officers of Olson camp no. 459 Royal Neighbors of Antioch were installed at the group's meeting in the Antioch American Legion hall Tuesday evening.

Mrs. Gladys McCarthy, district deputy for Lake and McHenry counties, was installing officer. She was assisted by Mrs. Bernice Nystrom as ceremonial marshal; Mrs. Irma Hostetter, installing chancellor; Mrs. Bernice Golden, installing inner sentinel.

Inducted were Mrs. Val Golden as oracle; Mrs. Gladys Lokke, past oracle; Mrs. Agnes Hills, vice oracle; Mrs. Laura Thayer, recorder; Mrs. Frieda Wertz, receiver; Mrs. Effie Nelson, chancellor.

Others were Mrs. Pearl Anderson, marshal; Mrs. Bernice Golden, assistant marshal; Mrs. Ida Lokke, inner sentinel; Mrs. Caroline Vance, outer sentinel; Mrs. Deborah Van Patten, musician; Mrs. Nellie Hanke, flag bearer.

The Graces installed were Mrs. Gladys Wilton, modesty; Mrs. Pat Hatfield, endurance; Mrs. Eva Gaylord, faith; Mrs. Myrtle Delaney, unselfishness; Mrs. Ellen Frognier, courage; Mrs. Myrtle Stowe, captain of degree staff.

Guest musician for the evening was Mrs. Emily Novotny.

Entertainment included selections played on the accordion by Richard Golden. The Clever Clover 4-H group put on its dance "Exotica" which won members first place in a recent competition.

## Ladies Night Set By Lions Club

The McHenry Country club will be the scene of the annual Ladies Night of the Antioch Lions club which will be held Tuesday evening, Feb. 23, the committee in charge said this week.

This will be a dinner-dance with Art Snejkal's band providing the music.

Lions club members in charge of arrangements include Bernard Osmond, Edward Jacobs and Homer LaPlant.

## DEATH NOTICES

**MRS. ELSIE L. SACKWITZ**  
Mrs. Elsie L. Sackwitz, 57, of Lake Villa, died Saturday evening at St. Therese hospital in Waukegan after a six months illness.

She was born in Denver, Colo., on May 19, 1902. She lived in Chicago from 1903 until she moved to Lake Villa six months ago.

Her husband, Walter, preceded her in death in 1950.

Surviving are her son Ronald of Salem, Wis.; two brothers, Hugo Nitz of Santa Monica, Calif.; and Richard Nitz of Venetian Village; four sisters, Emily Bohmann of Lake Villa, Frieda Herbon of Chicago, Ida Barrese of Yuba, Wis., and Harriet Hansen of Osage Beach, Mo., and one grandchild.

Funeral services were held at 2 p. m. Wednesday at Strang funeral home, Antioch. Rev. Stephen Liddick of United Protestant church of Grayslake officiated. Burial was in Memorial Park cemetery, Skokie.

### MAX GRUNOW

Max Grunow, 75, of 30 Grapevine Ave., Channel Lake, died Wednesday, Jan. 20, in Lake County General hospital after a long illness.

Funeral services were held Saturday at Strang funeral home, Antioch with Rev. Wallace Anderson officiating. Interment was in Oak Ridge cemetery, west of Chicago.

Born Nov. 21, 1884, in Berlin, Germany, he came to America at the age of seven, settling in Forest Park; and lived in Oak Park 18 years. He had been a resident of Antioch since 1947.

He was a member of Forest Park Masonic lodge No. 1054 A. F. & A. M. and later Oak Park chapter No. 860. He was employed as a furniture mover for Jackson Storage and Van Co. for 33 years.

Survivors include his widow, Minnie; one son, Richard J. Grunow of Algonquin; one brother, George, Antioch; three sisters, Mrs. Augusta Keoppel, Forest Park, Mrs. Elizabeth Hintz and Mrs. Margaret Wettenkamp, both of Los Angeles; and one grandson, Gary.

### ANNA RICHARDT

WILMOT, Wis.—A former resident of Wilmet, Mrs. Anna Richardt, 89, died last Thursday in the home of her daughter, Mrs. Irvin Jackson, Chicago, after a brief illness, friends learned.

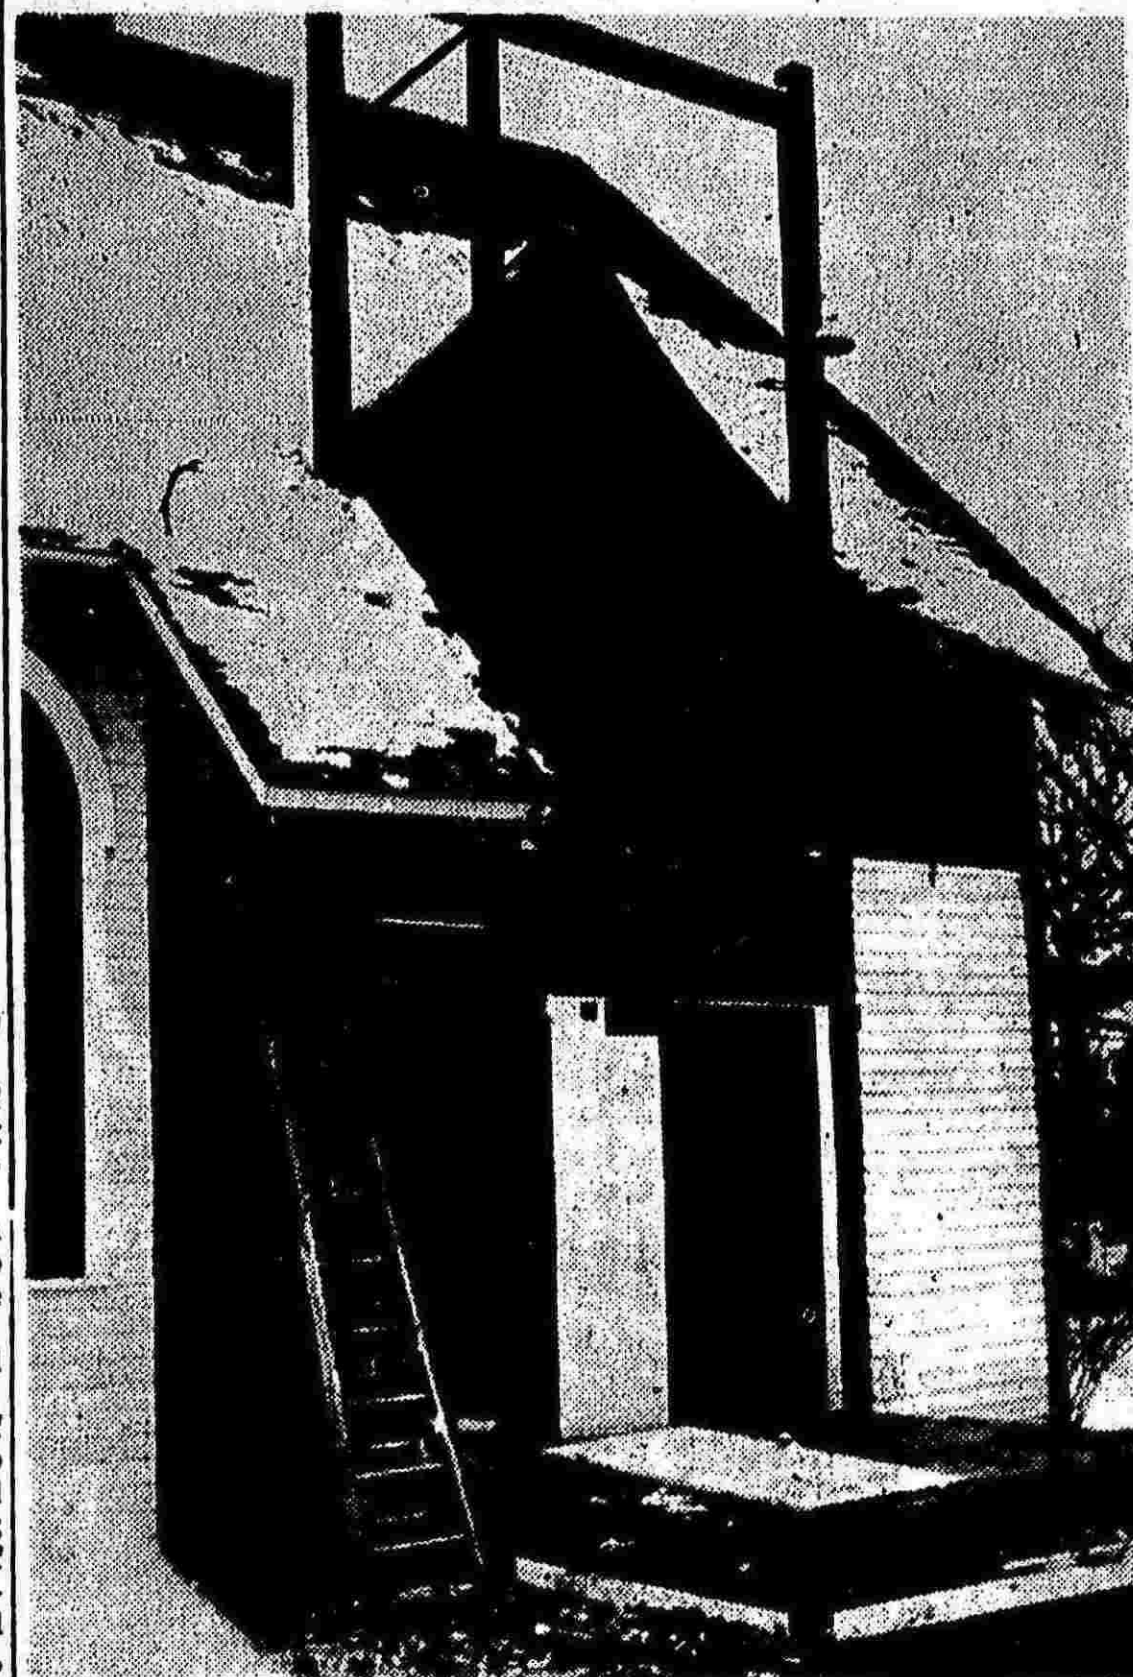

She was born on June 12, 1879 in Chicago and formerly had lived in Wilmet before moving back to Chicago.

Survivors include Mrs. Jackson, another daughter, Mrs. Elizabeth Reed of Gurnee; her husband, Herman of Chicago; another daughter, Mrs. John (Mildred) Mass of Chicago, and four grandchildren.

Funeral services were held Monday morning in a Chicago funeral home. Burial was in Waldheim cemetery, Chicago.

SILVER LAKE RESCUE SQUAD'S new ambulance and five members of its crew are shown after they had answered a call Sunday afternoon to take a Paddock Lake man to a Kenosha hospital. Here they take a breather before backing the ambulance back into the fire station. This vehicle and the rescue squad will be on hand Sunday, Jan. 31, to assist when necessary during the ice fishing derby sponsored by the Kenosha County Conservation club scheduled at Silver Lake itself. Shown here are, from left, captain Orvie Yeager, John Koch, William Carr, Chuck Walker (in driver's seat) and Eddie Redden. (Lake Region News photo)

CONSTRUCTION of additions to the Bristol Methodist church got underway last week and this photograph shows part of the work as it looked Sunday after formal ceremonies were held. This is the south side of the church building where one of the entrances to the building will be, according to plans outlined in a church bulletin. A colored glass window will be above this entrance, the main one for the church under the new plans. There also will be a basement under the entire structure to house various units, as well as an addition at the rear (off to the left). (Lake Region News photo)

During the past five years, each person in the United States has had 60 to 70 per cent more beef than was available per person 30 years ago.

Dramatic advances in livestock housing will become common within the next ten years. The trend will be toward confining livestock from birth until market.

## Massed Band To Play at Central High

PADDOCK LAKE, Wis.—The Massed Band of 112 instruments played by students of 12 schools and directed by Fred Schroeder, professor of music at Lawrence college, will present the following program on Monday, Feb. 1 at Salem Central High School.

There will be two performances, afternoon at 1:45 and evening, 8 p.m. A small admission fee will be charged.

### PROGRAM

Star Spangled Banner, The Curtain's Going Up, Corcoran Cadets, March; Komm Susser Tod, Il Signor Bruschino.

Selections from "Gigi", Sea Songs, March; Inglesina, Studio One. Beguine Festival, "First Driving Lesson" from Ballet for Young Americans; Waltzing Cat and Johnny Peel, Novelty.

The variety of music to be presented should draw a large crowd. The public is invited to attend either performance.

## Teachers' Salary Raise Suggested at Hi School

Antioch-Lake Villa high school teachers will receive a salary raise if a tentative salary program suggested by a combined school board-teacher committee is approved at the February 10 school board meeting. The joint committee recommended at the board of education meeting last Wednesday a revision of the base salary schedule upward. Details of the changes will be announced later.

Members of the joint group were Roger Prossie, chairman, Dr. Richard Ripley and William Brook of the school board, and John Gudgel, Kenneth Smouse and Fern Tate, high school teachers.

The school board will meet February 10 instead of the third Wednesday of the month (Feb. 17) due to principal A. L. Dittman and perhaps some members planning to be out of town on that date.

Dittman will be attending a meeting of the American Association of School Administrators in Atlantic City, N. J., Feb. 14 to 18.

IN OTHER business last Wednesday night, the chairman Robert Denman named Milburn Cain and Dr. Ripley to study the possibility of buying a new school bus.

Mrs. Ellen Stoffel of Felter's Subdivision and Mrs. Rosa Sebesta were employed as a clerk in the school office and as a matron, respectively. Mrs. Stoffel works from noon to

4 p.m. four days a week. Mrs. Sebesta works five days a week from noon to 5 p.m.

Mrs. Ruth Jedele has been appointed a teacher in the high school succeeding Mrs. Audrey Van Slochteren, resigned. She will teach English for four periods.

Richard Olson has been named to teach speech classes in place of Mrs. Patricia Cassidy, resigned. He is a graduate of Western Illinois university at Macomb and is doing undergraduate work there.

The board will accept the resignation of Robert Jachino as teacher when a suitable replacement has been found. He had asked for release from his 1959-60 contract to accept a position with a textbook company.

EMPLOYMENT of Harry Smith to handle the double run for the high school and Grass Lake grade school bus routes in the morning was approved.

Robert Michaelson will complete the Grass Lake grade school route in the evening, the board decided. Lauris Burdick, a substitute high school bus driver, will complete the high school double run in the evening.

A curriculum committee, which has met several times this year, will report at the Feb. 10 meeting scheduled for 7:30 p.m. in the cafeteria. It is composed of department chairmen and special teachers.

THE BOARD voted to ask for bids on an automatic washing machine to replace one that has been giving trouble.

Dittman told the board a deputy Illinois state fire marshal has inspected the high school building and found it complying with the state fire marshal's requests.

The head state fire marshal will inspect the sprinkler system after it has been installed completely.

The high school principal said the sprinkler system then had pressure in the old part of the high school building. Work on its installation in the new part of the structure is in progress.

## Plan Church For LV Area

By Mrs. Edward W. Bernau  
LINDENHURST—The Evangelical Lutheran church home mission board has approved all the necessary funds to begin a church for the Lindenhurst-Lake Villa area.

William E. Cobb of Burr Oak lane and the Rev. Langhough of Trinity Lutheran church of Long Lake are working together.

Representatives of the Lindenhurst-Lake Villa home mission board will be in the community to look for a site.

A pastor has been called and work will be started this year.

## Ice Fishing Derby

(continued from page 1)

\$5 and up will be given throughout the day, beginning at 9 a. m.

Twenty thousand tickets for the ice fishing derby have been printed and are on sale at many points in Kenosha county, including Silver Lake.

HOLDERS OF derby tickets are to deposit the stub attached to each ticket at one of four registration points in Silver Lake, the American Legion hall, Vito & Vicky's, Orvie's Happy Bill's resort and a registration tent on the ice.

An estimated 15,000 persons attended the ice fishing derby last year, also in Silver Lake.

Hot dogs, hot sausages, hot coffee and chocolate will be served at the Legion hall as well as in a tent on the ice. The ladies' auxiliary of the Conservation club of Kenosha county has offered to help serve.

The Kenosha county sheriff's auxiliary police will help control traffic and the Silver Lake Rescue squad will have its ambulance and trained personnel on hand to lend aid.

"Of all winter derby sites in Kenosha county, Silver Lake with its easy access, on the west side of the lake, offers the best availabilities for office and on-ice free parking," the Conservation club said.

Roads leading to Silver Lake will be marked clearly with special signs, arrows, banners and the like.

## New Award!

(American Legion News Service)

American Legionnaires can win their spurs by swingin' a wide loop in the 1960 membership round-up. This new medal will be presented to each Legionnaire who enrolls 15 members for 1960 (either new or renewal) by March 15, 1960, the 41st Birthday of The American Legion. The "1960 Membership Spur" is National Commander Martin B. McNally's personal recognition to the Legionnaires who perform such an outstanding service in the Posts.

## Fox Lake Hills Talks Sewage, Drain Problems

By Jim Jankowiak  
Fox Lake Hills Correspondent  
FOX LAKE HILLS—The residents of Fox Lake Hills are clamoring for a thorough check of the drainage, sewerage and septic systems of the subdivision.

Almost overnight the matter has turned from one of subdued mutterings to one of voluble complaints.

Main complaint at this time seems to be the many low spots in the area where the water accumulates rapidly and stands after every big rain.

Often these spots happen to be in the home owners' front and back yards.

Culverts, the supposed drainage ditches for the subdivision, are not doing their part in scattered locations. Many of them have their sides broken down from heavy contractors' machinery going over them.

THE HOME builders, in too many instances, have failed to re-open the ditches after finishing their job. Other culverts are not graded steep enough to allow a quick run-off.

The water merely backs up in much the same manner as it does behind a dam. It then slowly drains for a few days after the rain.

Storm sewers seem to be another problem. Some of them appear to be inadequate to handle the immense volume of drain-off after heavy downpours.

The means of solving the problem have not been fully discussed as yet but serious consideration is being given to it by some of the local inhabitants.

At one location in Unit 1, the water after a prolonged downpour backs up so much that it forms what amounts to a little lake. This little lake covers Chesney drive to a depth of several inches, blocking the drives of some of the home owners.

While the water is across the road, it remains impassable. Even with repeated complaints by irate residents, nothing has been done to rectify the situation.

SEPTICS ALSO present a problem. More than a few homes in the area were built in locations where proper sewer drainage is not possible.

Although there has been quite a bit of trouble from this quarter, much of it has been kept quiet due to the thinking that it would lessen property values.

At least something will probably be done in the not too distant future. Ideas are being talked over at the meetings and among the residents themselves.

Recently, after the last flooding over of Chesney drive, one of the important personages in the Hills decided that the Property Owners association ought to sue.

This went along fine until somebody asked the question—"Sue who?" That ended the whole suggestion. The idea seemed totally impractical since there was nobody actually responsible.

Other, more practical ideas, already have been put into action to get the cause snowballed.

Harold Riley, association president, is going to select a committee to check into the above difficulty with Fred Popp, Lake Villa township road commissioner, and M. E. Amstutz, superintendent of the county highway department.

ANOTHER THOUGHT, as yet in the rumor stage, is that John Rule, the subdivision developer, would have to put in a sewer disposal system in a new section of the Hills he is developing.

This is to conform with a new rezoning of the proposed addition to the Hills. If that is so, and he does, residents were speculating the possibility of hooking up with the system instead of using their septic.

Of course, the cost would be quite large due to the irregularity of the land surface, but nonetheless, would be beneficial to some of the residents.

Others, with no trouble, don't want a hookup, even if the system is built.

Fox Lake Hills is just one of the growing communities in Lake county with a problem of disposal and drainage, but it is trying to do something.

The talks on planning and zoning and related subjects being given every other Tuesday night at 7:30 at the Grant Community high school in Fox Lake show people's desire to learn just what can be done.

Anyone interested in broadening his knowledge is urged to attend these free lectures. The next one will be on Feb. 9.

THICKNESS OF THE ICE along the Fox river near Antioch is shown dimly in this picture taken late last week near the route 173 bridge (background) where it crosses this stream. Ice in the river itself is seen in the background including where it is piled up against piers of the span itself. This was taken after the river level had gone down about 2 inches from its peak. The gas pump in the background usually is at the water's edge. The park-like area in the deep background was under water when this picture was taken. Ice in the pit in the right foreground was more than 6 inches thick. (Antioch News photo)

## Lake Shangri-La Woodlands Ass'n Book Published

The 1960 edition of the Lake Shangri-La Woodlands association directory made its appearance this week with 62 pages of facts and figures plus ads from many people in Antioch as well as from Wisconsin people.

Listed as officers of the association in the front of the book are Gilbert Elselder, president; Edward Dahlke, vice president; Walter Kornoski, treasurer; Charlotte Borchardt, secretary; John Borchardt, sergeant-at-arms.

Board directors named are Walter Kusch, Edward Lewandowski, Edward Dahlke, Joseph Gudjonis and Michael Corsello.

Commissioners are Elselder for police, Gudjonis for fire, George Sroka for amusements and Mr. Borchardt for grounds.

The auditing committee consists of Paul Marsalla, Joseph Pyzik and Harold Gilmore, while building commissioners are Charles Warner, Don Loy, Andrew Arrigo and J. Borchardt.

Regular membership meetings are held the Sunday before Decoration day and the Sunday before Labor day, the latter being the annual meeting and for election of officers.

Executive board sessions are scheduled for the first Sunday of each month at 11 a. m. in the Community center.

The booklet also includes among other things, a map of the Lake Shangri-La Woodlands area, a list of association members, covering four pages, an index to the volume, calendar of events and a message from President Elselder.

Illinois hog producers can expect continued heavy marketing and more low prices throughout most of 1960.

MOOSE TOPICS

The third district bowling tournament of the Moose will be held at Zion on weekends, beginning on Saturday, Jan. 30, and ending on Feb. 14.

Any questions can be answered on bowling by Ben Noble, bowling chairman.

Do not forget there will be initiation of new members into the Antioch lodge Sunday morning, Jan. 31.

A 9 o'clock breakfast will be served, followed by the ceremonial.

A fine roast beef dinner was enjoyed by the Moose fathers and sons at a banquet at the Antioch Moose home last Sunday.

Chairman for the affair was Ralph Antes, chairman for the dinner was Cecelia Portalski and co-workers of the Women of the Moose that served were Regina Karrasch, Jane Verkest, Evelyn Erickson, Jean Antes, Shirley Schiesser, Gert Good and Harriet Grewe.

Dairy cattle feeding studies indicate that many Illinois dairymen are underfeeding grain to high producers, overfeeding grain to low producers and feeding too little roughage to both high and low producers.

About half the people of South America live in Brazil. Brazil is the largest country in South America and the fourth largest country in the world.

## Farm Facts

A U.S. farmer produces enough to feed himself and 23 others. In Russia a farmer produces enough to feed himself and one other.

AMERICA'S MOST LOVEABLE LADDIE

HENRY C. SCHADEBERG

## H. C. Schadeberg Is a Candidate For Congressman

BURLINGTON, Wis.—The first to formally announce his desires to seek the First district's Republican congressional nomination for the coming primary election was Henry C. Schadeberg of Burlington.

The 46-year-old pastor of Burlington's Plymouth Congregational church made the decision upon the urgings and requests of his many friends. He has always carried a deep respect and regard for politics.

"I have agreed to honor the requests of my friends to become a candidate in this campaign for the house of representatives from the First district, because I believe that government is the business of the people and that those of us who are successful in our occupations have as great a responsibility to service this great land of ours in peace as well as war," the veteran of two wars said.

Schadeberg, who is known to all in his home territory as "Henry," was aboard the USS Louisville during much of her Pacific battles in world war II.

He also served during the Korean conflict, being called back to active duty because of his successful world war II record. He is presently a commander in the naval reserve.

Indicative of his acceptance by his congregation is the fact that he was granted a leave of absence from the church during his recall to active duty with the navy with an invitation to return to the church upon completion of the tour.

His outstanding war record led to his election as chaplain of the state American Legion, by popular vote, which was the last rung on the ladder after serving as post, county and district chaplain, posts he still holds.

He is past president of Burlington Rotary International and was chairman of the Burlington mayor's Bong Base Liaison committee, a direct link between the now defunct air base and its nearest city.

He also was instrumental in establishing and organizing the Congregational church at Twin Lakes, Wis.

Schadeberg has established his campaign headquarters in Burlington at 707 Geneva St. All the help he has received in doing so, both labor and management, has been gladly and eagerly volunteered.

He has promised to continue to work diligently for the office he seeks and welcomes invitations to speak to any group. He is described as an excellent and thought-provoking orator.

He is married and has four children of school age.

## McClory Urges Re-Election Of Gov. Stratton

State Senator Robert McClory of this district has sent a communication to Governor William G. Stratton urging him to seek re-election in the 1960 primary and general elections.

Senator McClory declared his support for Governor Stratton in the following letter:

"There appears to be a great deal of discussion as to your plans on seeking re-election for the office of Governor.

"Having worked closely with you since your election in 1952, I can only express my pride and confidence in your service, and hope that you will indicate your willingness to serve the people of Illinois

for another four years with the same zeal and vision as you have displayed during your seven years as our governor.

"The tangible record of your administration including reapportionment, the toll road and other highway programs, the traffic safety improvements, the new state office building, improvements in public welfare and education—to mention only a few, will provide an unsurpassed record for the 1960 campaign.

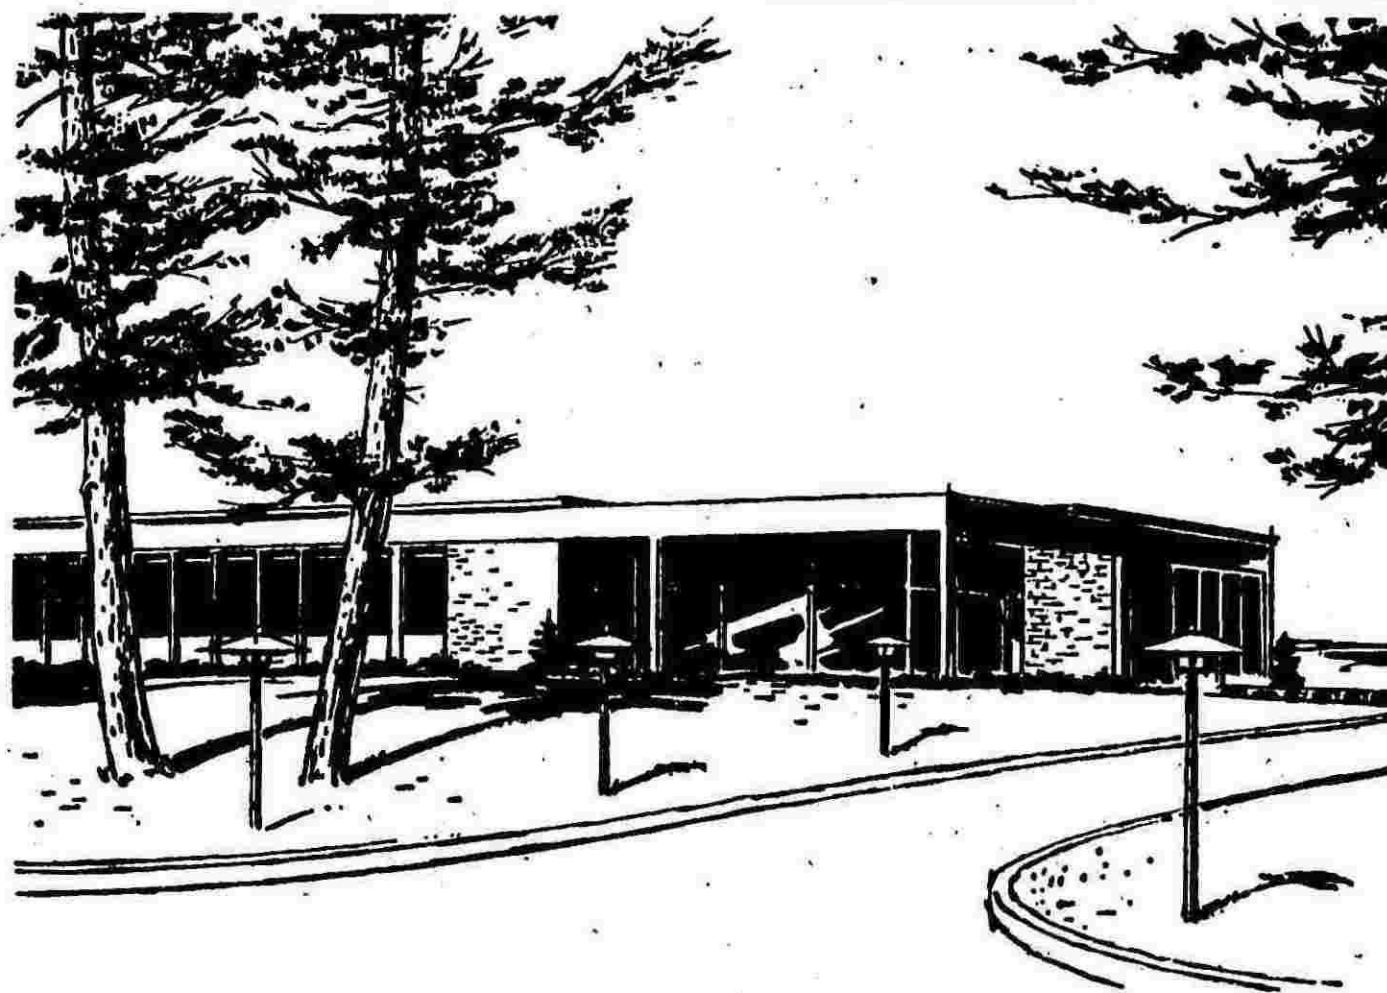

"In the area of the 62nd senatorial district, we note particularly the numerous highway improvements, the establishment and development of the Waukegan port district and harbor, the new Waukegan airport, the enlargement and development of Illinois Beach state park with a suitable lodge and recreation facilities, the McHenry locks in the Fox river, the dam and other works in the Kishwaukee river at Belvidere and many other projects.

"I expect to be spreading the Republican gospel throughout this area

during the coming months and will be pleased to be of whatever service possible to you and to the party."

The year 46 B. C. was known as the "year of confusion," because the calendar was three months ahead of the seasons. The Roman calendar was changed at the whim of politicians. To adjust the calendar to the seasons, the year 46 B. C. was given 15 months.

## Grass Lake PTA Has Men's Night

The regular meeting of the Grass Lake PTA was held in the school building Monday, Jan. 28.

This was men's night, and acting officers for the evening were James Ferrier as president, Lester Heiber, vice-president; Donald Soder, secretary and Earl Beese, treasurer.

The Boy Scout charter was presented to the PTA by Richard Eckert of the Lake County Council of Boy Scouts, and Boy Scout projects and a film were shown.

President, Mrs. Wilbur Schaefer, read letters written by students of each grade, thanking the PTA for having the new stage ready in time for the Christmas program. A special thanks was also given to the men who did the work.

Tickets were given out for the ballroom and square dance, which will be held at the Grass Lake school on Saturday, Feb. 6.

Men's night included taking over the kitchen and delicious roast beef

## School Finance Problems Told At PTA Session

The Antioch Grade school PTA meeting convened Monday evening in the gymnasium, with 69 persons in attendance.

After the business was taken care of, the room count was taken, with Fanny Yates' fourth grade taking first place, Wanda Barthel's third grade was second.

Mrs. William Mongan, program chairman, presented four members of the board of education who were asked to give a report on functions and policies of the board.

Norman Jedele, president, introduced Mrs. Helen Kopriva, Elroy Anderson and Ernest Westlund.

Mrs. Kopriva extended an invitation to parents to come to any meeting of the board of education and present any problem they may have

sandwiches, coffee and cake were served by the fathers on the committee.

or ask for answers to any questions that are troubling them.

They can make an appointment with any member of the board or Principal Richard Whitacre, at his office.

Jedele then introduced Whitacre, Principal of Antioch Grade school, who gave a report of school finances. He told the group that the school is levied to the limit, and that if there had not been an increase in last year's tax income from assessed valuation, it would have been necessary to ask for a referendum.

He also urged any of those interested to write their representative to get the change made in the law for state aid.

He has felt for many years that payment on the average enrollment of the school is more fair than payment on average daily attendance, which is now the case.

A question and answer period followed and then coffee, tea and sandwiches were served in the cafeteria.

Mrs. James Maplethorpe and Mrs. Harry Smith were in charge of serving, assisted by other mothers of fourth grade students.

NEW CHURCH at Bristol is shown under construction in this photograph taken recently. This is the new Evangelical Lutheran Church located about 100 feet east of U. S. highway 45 on the outskirts of the village. One side of the arched roof was well underway while the other side of the "V" was still lacking most of its material ingredients. The present church building is located about a block away on a side street. News also was revealed recently of plans by the Bristol Methodist Church to construct an addition and make alterations to its present building not far away. (Lake Region News photo)

# Sequoits to Play Here Friday

## Down Grayslake 74-43 in First Round's Finale

Antioch high school's undefeated basketball team in Northwest Suburban conference play will face Eta-Vernon on the local floor Friday evening and will go to Wauconda for another league encounter, Saturday night.

Coach Larry Leon and the local players are not expecting an easy game either night as the Sequoits are now more than ever "the team to beat." The team on top of the heap is always a prime target.

By Henry Green, Editor

GRAYSLAKE — Antioch high's Fighting Sequoits roared ahead in the final two quarters last Friday night to win their seventh Northwest Suburban conference game against no defeats by downing Grayslake high 74-43.

Although the Sequoits never were behind after taking a 5-0 lead in the early moments of the game, Antioch enjoyed by an 8 point lead at the end of the first quarter 19-11 and a 9 point margin at the half 37-28.

However, the Grayslake Rams could sink but 15 points in the final two quarters against a stiff Antioch high defense and the Sequoits poured in 37 points, 19 in the third stanza and 18 in the fourth.

Jerry Dahlman and Don Pyles were the big scorers of the night for both teams as Dahlman hit for 32 points and Pyles garnered 20. Pape with 12 and Schultz who tallied 13 paced the Rams.

Only in the matter of rebounds were the two teams even and that was only in the total rebounds for the night.

Antioch's control of the backboards defensively showed up by figures giving the Sequoits 26 rebounds on defense as against 15 for the Grayslake quintet. The local quintet had seven offensive rebounds to 18 for the Rams.

THE YOUTHS coached by Larry Leon attempted 59 field goals and made 30 for a .508 percentage. They tried 21 free throws and made 14 for .667.

Grayslake players attempted 51 field goals and made 15 for .294 and in charity tosses, tried 28 and made 13 for .464.

The victory for Antioch gave it first place at the end of the first round of conference play.

Warren was second with 6 wins and 1 defeat, followed by Lake Forest, Eta-Vernon and Round Lake tied for third, Grant in fourth place and Wauconda at the bottom.

The Sequoits and Warren will trade off this coming week-end, with the Blue Devils meeting Wauconda Friday evening and Antioch on Saturday, while the local youths face Eta-Vernon on Friday and Warren plays them on Saturday.

Coach Leon of the Sequoits commenting on the 1959-60 basketball season to date pointed out that the local cagers have made 68 per cent from the free throw line and 39 per cent of their tosses from the "field." Most basketball fans consider any

percentage over 60 in free throws is better than average.

ANTIOCH LED at the first quarter pause 19-11, at the half 37-28 and at the third quarter mark 56-34.

The fast break by the Sequoits paid off in full in the final two periods, including a 12 straight point barrage in the third stanza and 14 in a row in the fourth quarter.

The Leon-coached youths set up a well coordinated defense that stymied the Rams' pattern attack. This combined with a strong offense that featured the fast-break helped set up the Sequoit victory.

Another banner size crowd was on hand from Antioch for the encounter and the outlook is that the ATHS gym will be "sold out" for the game with Eta-Vernon Friday evening.

Advice from those "who know" is that it would be a good idea to get to the local gym and to the one in Wauconda Saturday evening early if one wishes a good seat.

Coach Leon reminded fans that the Wauconda gymnasium is comparatively small and the seating capacity is limited.

## BOWLING

### Ten Pin Toppers

Tuesday, Jan. 19

Herron's Mink had high team series, with games of 779-749-789 and a total of 2317.

LuGene Nissen and Flo Keefe each bowled 189 for high game.

Gert Good was high individual scorer, with games of 159-179-178 and a total of 516, and Florence Keefe had games of 189-145-169 and a total of 503.

Herron's Mink won two games from Orchard Inn.

Adolph's Channel Inn took two games from Gibbs & Jensen.

Joe & Helen's took two games from Tuttle Mink.

Sexauer's won two from Van Paten's.

Art's Paint Store won two games from Spring Valley.

Lakes Co. won 2½ games from George's Bar.

### Gutter Ball Girls

Tuesday, Jan. 19

LaPlant Masonry had high team series on games of 724-776-791 for a total of 2271.

Bee Soladay of LaPlant Masonry was high individual scorer, having games of 178-198-200—576.

La Plant Masonry won two games from Bill's Service.

Pedersen Bakery won two games from the Tot Shop.

Wally's Channel Inn won two from Fortmann's Gulf Oil.

State Bank took two from John's River Inn.

Laursen & Blackman won two from Meinersmann's Insurance.

Cox's Corner took two from Antioch Laundrette.

### Tavern League

Monday, Jan. 25

Pasadena Gardens had high team series, with games of 876-976-874 and a total of 2726.

Forest Bolton was high individual scorer, with games of 192-209-215 for a total of 616.

Joe Fernandez shot high game with a 260, highest game this year so far.

Red Arrow beat Vos Liquor all three games.

Pasadena won two games from Bud's.

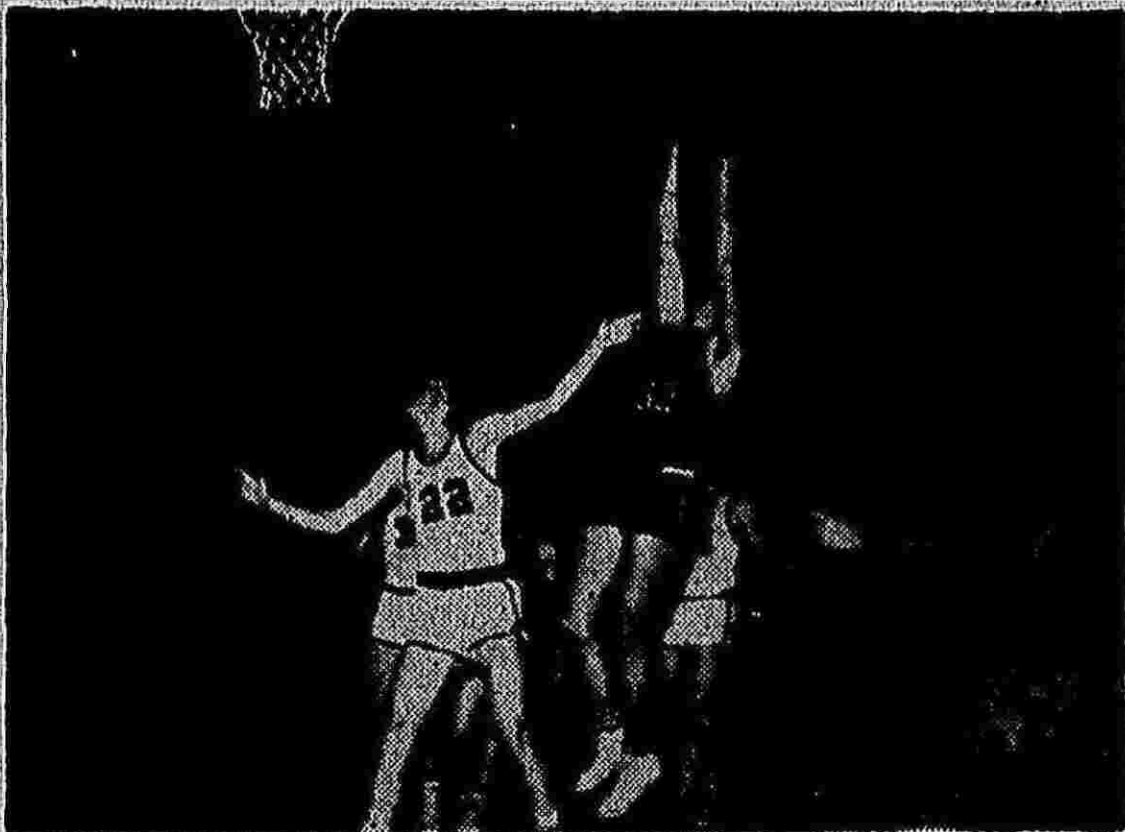

Bussie's won two from Coles Tavern.

Joe & Helen's took two from Brass Corners.

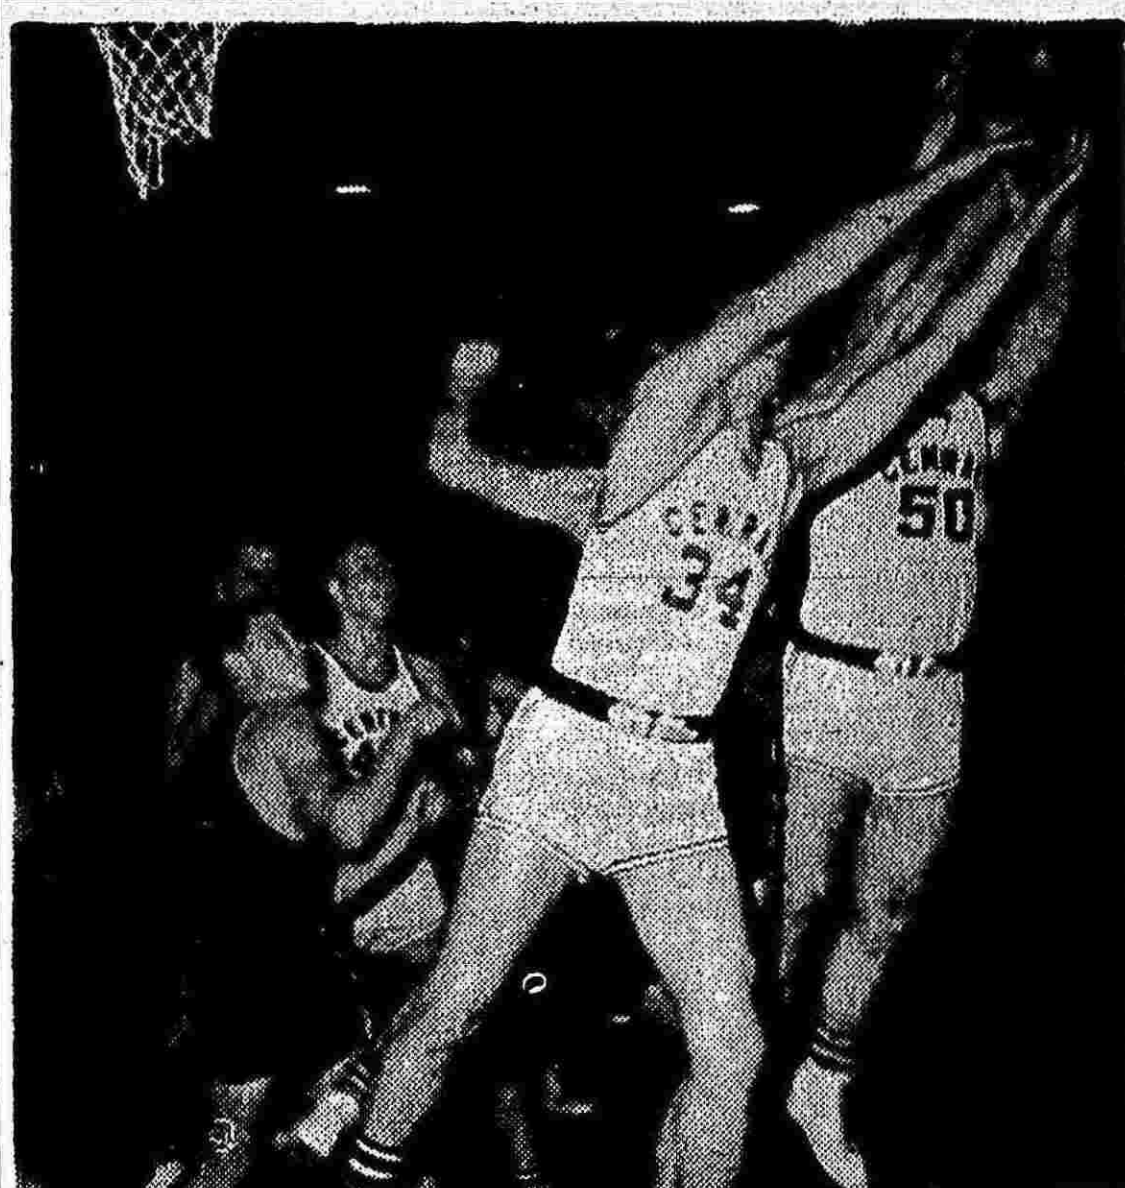

Antioch Bowl won two from Kemp's.

John's S. L. Inn won two from Open Door.

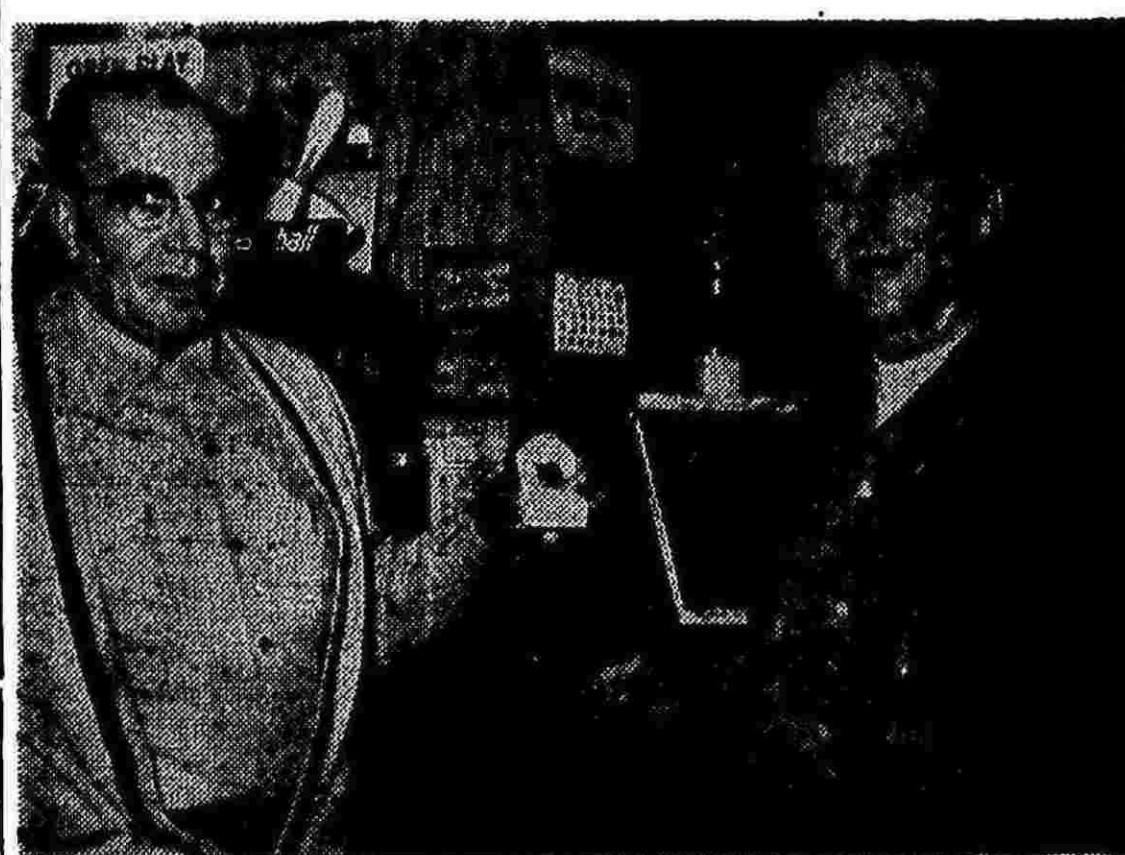

Good visibility is essential for safe driving. Before starting to drive make sure your front and rear windshields and side windows all are clear of obstructions. Make sure your windshield wipers and defroster are in perfect condition. Always carry an ice scraper in your glove compartment. "Peep" hole driving can be fatal.

BOB MARTIN (52) of the Antioch High Fighting Sequoits is shown going up for a shot at the basket in the game with Grayslake high school last Friday evening on the Grayslake floor. The youths coached by Larry Leon took their seventh Northwest Suburban conference victory against no defeats when they defeated the Rams, 74-43. Running up in the right background to help if he can is Antioch's Jerry Dahlman (43). White-shirted Grayslake players shown are Ron Schultz (22) and Louis Pape (40). Antioch poured on the steam in the second half and set up a tough defense to help with the victory. (Antioch News photo)

WHO'S GOT IT? Two Central high of Salem players are shown grabbing for a free basketball during their Southeastern conference clash with Morris Foundation on the Paddock Lake school's floor last Friday evening. Falcons shown in white shirts are Fred Lentz (34) and Art Foulke (50). No. 14 in the deep left background for Salem is Ted Wiedner. Salem won this league clash with ease 66-39 to run its league victory total to 7 victories and 1 defeat. This week the Falcons go to Waterford for a conference contest. Central now is second in the league. (Lake Region News photo)

HERE YOU ARE, says Jack Sampayo (left) to Chuck Moran as he hands the local bowler a fancy gold belt buckle symbolic of Moran's bowling a 300 game at the Antioch Bowl recently. Presentation was made last Thursday evening at the local alleys by Sampayo, manager of the bowl. Moran rolled his perfect game in open play so probably did not qualify for many prizes offered those who bowl in league competition. Shown just to Moran's right is a trophy being presented in the 15th annual men's singles tourney on the local lanes starting Feb. 20. A prize list totaling \$4,000 also is offered. (Antioch News photo)

Nearly 80 per cent of the crop acre in Illinois is planted to varieties developed within the past 70 years.

## Chieftains Drop A Pair of Games

The Channel Lake Chieftains lost a game to Big Hollow last Friday, 28-17. The boys were only trailing 12-11 at the half, but fell down badly in the second half.

The B team also lost, 20-9.

Scorers on the "B" team were Dean Dowell, 3 points, and Denny Heimbrodt, 6 points.

On the "A" team, Ed Matejka scored 8 points; Dick Davis, 7 points, and Ken Stankus, 2 points.

Ted Gessler, Roger Eberman, Jim Bridges and Noel Birr also played for the "A" team.

Louis and Bill Portalski, Ronny Holstrom, Paul Lindblad, John Patterson, Rodney Patterson and Ken Buell played for the "B" team.

The next game will be at Fremont at 3:45 p. m. on Feb. 5.

## News of Lakesports

## State Rabbit Season Ends Sunday; Few Animals Seen

By Jim Jankowiak

An Illinois rabbit season, which ends on Sunday, Jan. 31, has proved to be a failure on the same par as duck season. The limits were liberal enough, five a day, with ten in possession.

The only trouble was that there were very few cottontails around to fill them. Last year was bad also, but nothing to compare with this year.

Many of the local hunters report that after an all-day drive, they had little positive results.

The bright spots appear only downstate, where can be found an abundance of rabbits in the grown over hedgerows and fields of abandoned farms.

Most of the area hunters returning from down south say that they have filled their limits with ease, generally with the use of Beagles and Bassetts.

Up here the odds take the side of the hunter with dogs, too, but the rabbits are still few and far between.

The best chance for the hunters has come about now that snow has blanketed the ground.

The early hunter who is able to distinguish fresh tracks from the old will have the opportunity to ply his trade.

The most likely spots to pursue the sport are close to the populated sections, where the bunnies seem to thrive on raiding gardens during the summer and eating the previous summer's growth of hedges during the winter.

Ice fishing was poor last weekend, although many were caught in a few hotspots. In general, however, things were not as good as the weeks previous when the crappies were biting faster than the hooks could be baited.

Reports of large sized stripers came from fishermen in channels near and in the town of Fox Lake.

Bluegills have been hitting consistently, but not in large numbers.

The perch being taken run from tiny to small, with hardly any jumbos. Sunfish have been slack most of the season, with small numbers being caught now and then.

As to the ice, it is fairly safe all through the Chain. Some of the main channels have scattered soft spots.

It should be remembered that the limit on poles is two to a fisherman, with the hole sizes not to exceed twelve inches.

There is absolutely no limit as to the number of panfish which can be caught.

## Central Tops Waterford For 9th Straight Victory

By John Fisher

### Central Hi Sports Reporter

PADDOCK LAKE, Wis.—Salem Central high school racked up its eighth win against one defeat in Southeastern conference competition by topping Waterford on the Waterford high floor last Friday evening 64-43.

The Falcons outscored their rivals in every quarter, leading at the end of the first period 19-8, at the half 35-22 and at the third stanza 49-33. Overall this season Central has won 9 and lost two.

The Falcons were without the services of two boys for half the game with Ron Yates and Gene Schulz sidelined with the flu. Len Krawczyk saw only "part time" service as he took it easy with a bad ankle.

This week Friday evening Central high will travel to Walworth for a conference game with the league-leading Walworth Big Foot quintet. Big Foot leads the conference with 8 wins and no defeats.

Against the Waterford quintet last Friday night, Dave Erickson tallied 15 points and Schulz 16 to lead the Falcons in scoring.

In the B squad encounter that opened the evening, Central scored a narrow 36-33 victory.

D. Yates	1	0	0	2
Totals	25	14	20	64

## Basketball Notes

Another banner crowd is expected in the Antioch high gym when the Fighting Sequoits take the floor against Eta-Vernon in a Northwest Suburban conference basketball game.

Ela-Vernon and Antioch fans support their teams well, coach Larry Leon of ATHS commented.

Leon expects there may be some trouble for the Sequoits Saturday evening on the Wauconda high floor. He said the small floor and "not too good lighting" could give the local boys trouble.

There are only five more conference games after this coming weekend so a lot is at stake for all teams in the league.

The Sequoits are in good spirits, show a good mental attitude and have confidence in themselves.

They don't think they are unbeatable but still the boys are confident they can win games.

Last Friday against Grayslake the local players worked well together and have been showing improvement as a unit in every game.

Skipping on bedding for your dairy cows might be an expensive way to save money. Cold, wet, uncomfortable cows do not give as much milk as they could give.

## State Tourney Games on TV

Television again will provide sports fans across most of the state with a front row seat at the Illinois state high school basketball championships Saturday, March 19.

The Illinois Bell Telephone Company will sponsor the telecast again this year.

An estimated 2,500,000 viewers will watch this year's tournament televised from Huff gymnasium in Champaign-Urbana.

The same announcing team of Jack Drees, Tom Kelly and Mike Walden, sportscasters for last year's tourney, will report the 1980 finals.

Springfield won last year's crown by defeating West Aurora in the title game, 60 to 56.

Saturday's semifinals and finals will be telecast on one Chicago station, WBKB, channel 7, and 10 others in this state.

Afternoon telecasts will begin at 1 o'clock and evening telecasts at 7:30.

Lieut. Theodore Ellyson, USN, was ordered to instruction at the Glen Curtiss Aviation camp, San Diego, Calif., on Dec. 23, 1910, to become the navy's first aviator.

The aircraft carrier USS Forrestal's air conditioning system is powerful enough to completely air condition two buildings the size of the Empire State building.

On Dec. 22, 1775, the new navy commissioned 18 officers, including John Paul Jones.
